

# WHO WAS QUAID-E-AZAM

Father of the Nation Quaid-i-Azam Mohammad Ali Jinnah's achievement as the founder of Pakistan, dominates everything else he did in his long and crowded public life spanning Some 42 years. Yet, by any standard, he had an eventful life, his personality multidimensional and his achievements in other fields were many, if not equally great. Indeed, several were the roles he had played with distinction: at one time, he was one of the greatest legal luminaries India had produced during the first half of the century, an 'ambassador of Hindu-Muslim unity, a great constitutionalist, a distinguished parliamentarian, a top-notch politician, an indefatigable freedom-fighter, a dynamic Muslim leader, a political strategist and above all one of the great nation-builders of modern times. What, however, makes him so remarkable is the fact that while similar other leaders assumed the leadership of traditionally well-defined nations and espoused their cause.
