Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1957 Quakers in California David C. Le Shana,1969 **Buddhist and Quaker Experiments with Truth** Teresina Rowell Havens,1959 **National Union Catalog** ,1973 Includes entries for maps and atlases **Pendle Hill Pamphlet[s]** .,1961 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries,1979 **Pendle Hill Pamphlet** ,1959 The Liturgies of Quakerism Pink Dandelion,2017-07-05 The Liturgies of Quakerism explores the nature of liturgy within a form of worship based in silence Tracing the original seventeenth century Quakers understanding of the liturgy of silence and what for them replaced the outward forms used in other parts of Christianity this book explains how early Quaker understandings of time history and apocalyptic led to an inward liturgical form The practices and understanding of twenty first century Liberal Quakers are explored showing that these contemporary Quakers maintain the same kind of liturgical form as their ancestors and yet understand it in a very different way Breaking new ground in the study of Quaker liturgy this book contrasts the two periods and looks at some of the consequences for the study of liturgy in general and Quakerism in particular It also explores evangelical Quaker understandings of liturgy **Library of Congress Catalogs** Library of Congress,1960 **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Copyright Office,1957-07 **Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office** Library of Congress. Copyright Office,1957-07 **The National Union Catalog** ,1961 **Catalog of Copyright Entries, Third Series** Library of Congress. Copyright Office,1957 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc The Publishers Weekly ,1959 *Margaret Fell, Letters, and the Making of Quakerism* Marjon Ames,2016-08-05 Intensely persecuted during the English Interregnum early Quakers left a detailed record of the suffering they endured for their faith Margaret Fell Letters and the Making of Quakerism is the first book to connect the suffering experience with the communication network that drew the faithful together to create a new religious community This study explores the ways in which early Quaker leaders particularly Margaret Fell helped shape a stable organization that allowed for the transition from movement to church to occur Fell s role was essential to this process because she developed and maintained the epistolary exchange that was the basis of the early religious community Her efforts allowed for others to travel and spread the faith while she served as nucleus of the community s communication network by determining how and where to share news Memory of the early years of Quakerism were based on the letters Fell preserved Marjon Ames analyzes not only how Fell s efforts shaped the inchoate faith but also how subsequent generations

memorialized their founding members **Friends' Journal** ,1959 Religious Books 1876-1982 ,1983 *The American Friend* ,1957 *The Oxford Handbook of Quaker Studies* Stephen W. Angell, Pink Dandelion, 2013-09-26 Quakerism began in England in the 1650s George Fox credited as leading the movement had an experience of 1647 in which he felt he could hear Christ directly and inwardly without the mediation of text or minister Convinced of the authenticity of this experience and its universal application Fox preached a spirituality in which potentially all were ministers all part of a priesthood of believers a church levelled before the leadership of God Quakers are a fascinating religious group both in their original peculiarity and in the variety of reinterpretations of the faith since The way they have interacted with wider society is a basic but often unknown part of British and American history This handbook charts their history and the history of their expression as a religious community This volume provides an indispensable reference work for the study of Quakerism It is global in its perspectives and interdisciplinary in its approach whilst offering the reader a clear narrative through the academic debates In addition to an in depth survey of historical readings of Quakerism the handbook provides a treatment of the group s key theological premises and its links with wider Christian thinking Quakerism s distinctive ecclesiastical forms and practices are analysed and its social economic political and ethical outcomes examined Each of the 37 chapters considers broader religious social and cultural contexts and provides suggestions for further reading and the volume concludes with an extensive bibliography to aid further research Transcending Generations Meredith Gould, 2017 *Transcending Generations* is a guide for church leaders seeking to communicate and collaborate with adults of all ages beyond generations In this new guide to being and doing church sociologist and culture critic Meredith Gould focuses on issues shared by people of faith regardless of chronological age psychosocial development or generational cohort In short easy to read chapters and with her characteristic wit Gould challenges readers to think in more nuanced ways about age to remove false barriers Readers are guided through practical ways to move forward together while honoring authentic differences Includes questions for individual inquiry and group discussion
