Ethical Decision-Making in Management Matej Drašček, Dana Mesner Andolšek, Adriana Rejc Buhovac, 2023-04-21 Moral pragmatism has been largely ignored in Business Ethics despite its natural attraction and the fact that it is prominent in philosophy and socio economic theories The main premise of the book is that the complexity of today s business world does not permit a grand ethical theory notwithstanding the different attempts made by scientists Moral pragmatism is the go to approach where the ethical decision making of managers varies dependent on different circumstances but it always integrates moral considerations Ethical decision making is no longer based simply on known rules but entails the constant

dynamic interaction of circumstances the development of new rules managers past experiences their knowledge concerning ethics and skills of moral reasoning This book interweaves the postmodern approach to management studies and based on its innovative research reintroduces moral pragmatism in Business Ethics The combination of decision making theories philosophy and postmodernism paves the way for future novel research in Business Ethics making it an excellent resource for researchers academics and advanced students in the field of Business Ethics Practitioners on the other hand will benefit by improving their skills in ethical decision making and leadership Evaluating R&D Impacts: Methods and Practice Barry Bozeman, Julia Melkers, 2013-06-29 A critical issue in research and development R D management is the structure and use of evaluative efforts for R D programs The book introduces the different methods that may be used in R D evaluation and then illustrates these methods by describing actual evaluation in practice using those methods The book is divided into two sections The first section provides an introduction and details on several popular methodologies used in the evaluation of research and development activities The second half of the book focuses on evaluation in practice and is comprised of several chapters offering the perspectives of individuals in different types of organizations The book concludes with an annotated bibliography of selected R D evaluation literature focusing on post 1985 literature on research evaluation *R & D Productivity* Hughes Aircraft Company, 1978 **Handbook of Information Resource Management** Jack Rabin, 1987-09-30 **Army Research and Development** , 1973
