

A historical black and white photograph of a downtown street in Rochester. A large, multi-story building with many windows and arched windows on the upper floors dominates the background. In the foreground, several vintage cars from the early 20th century are parked or moving along the street. A horse-drawn carriage is visible on the left. The scene is set on a wide, paved street with a sidewalk on the right. The overall atmosphere is that of a busy urban center from the past.
