Rock And Hard Places:

Between rocks and hard places Paul Lyle, 2010-10-27 Illustrating the variety of the Irish landscapes this book explores the landscapes that are linked to rocks and the rocks to history past and present For its size there is a great range of rock types and rock ages in the northern third of Ireland Interspersed with the brief text are sections entitled Mythology and Geology Here will be found stories of Finn McCool who of course was a wellknown local giant the Children of Lir the tragedy of Finngheal the speaking horse of Benlaughlin C lann s Hound the sacred waters of the Shannon Pot and more Then there is Ireland s World Tour which traces the origin of our rocks to distant places before they came together in the emerald isle Sections headed Did you know explains some of the natural wonders like Sligo s coral reefs the Marble Arch Caves and the equivalent of Death Valley in Co Down Forces that changed the landscape describes the volcanic past with yet more facts and fiction mythology Then the story moves to times when humans arrived on these shores The Axe Factor is about the Stone Age and how local axes transformed life and the landscape Prominent Monuments follows the theme of the prehistoric peoples and their stone circles and dolmens The Era of Buildings takes the reader through to the Middle Ages with castles crosses and temples Then it moves on to more modern times and the buildings of the last century Finally a chapter called Ancient Resources Modern Dilemmas Perhaps most surprising will be how much use has been made of the natural resources yet the wounds to the landscape have mostly healed Now another phase of mineral and gas exploration is upon us New sorts of maps are being developed to meet modern needs which will include coping with a growing population in a seemingly ever more wasteful and energy inefficient society

TURNER,2015-10-09 Meditation prompts came about as a result of the Lord fulfilling the promise He gave to me in the book of Proverbs 24 13 14 Not long after the rededication of my commitment to serve Jesus Christ I was gifted with His promise of wisdom with understanding These promptings often came in the early morning hours during my time of communion and fellowship I often liken these moment by moment refreshments as to spending time in The River of Life His introduction of intimacy begins as a gradual stream that journeys through chosen meadow like valleys of insight I have experienced the peace of His inviting presence as the stirrings of a brook which flows over smooth stones that lay in its pathway These were quiet captivating interludes of lively conversational thoughts which were orchestrated by His Spirit It is beyond my comprehension that God Who made all things could so affectionately and purposefully lift me closer to Himself through the raising of my spiritual understanding of His ways As our time together progresses on we eventually arrive at a place where the vastness of His thoughts are overwhelmingly endless At such a view I am taken in and dispersed about by the breadth and length depth and height of His love for me God in all His Majesty and Splendor begins to personally instruct on what is to be unveiled of His treasury of hidden thoughts God releases wisdom to reproduce His thoughts in the minds and hearts that hold His affection Meditation and prompts are fruitful twins that come from the union of God and His beloved God is faithful and is without loss in His giving so when He meets with me in the early waking hours of the morning I know that I am especially being awakened to receive what only He can give Selah
