Rock Finds A Friend:

Rock Finds a Friend Randall J. Wiethorn,1991 A lonely rock on a beach befriends a boy and finds happiness in playing with him Two Tricksters Find Friendship Johnny Aitken,Jess Willows,2025-05-13 To Jessie and Johnny their friendship is easy Jessie and Johnny have been inseparable ever since Jessie moved to the small island town during summer break But as they begin fourth grade together the new school year gets off to a rocky start when outside pressures and differences in their home lives threaten their friendship Jessie lives comfortably and never worries about money while Johnny lives with his father and stepmother on the reserve outside of town With guidance from Raven and spiritual teacher Steven the two friends bridge the gaps between them and learn to lean on each other through family troubles and cultural differences The epub edition of this title is fully accessible Historian of the Strange Judith T. Zeitlin,1993 This is the first book in English on the seventeenth century Chinese masterpiece Liaozhai s Records of the Strange Liaozhai zhiyi by Pu Songling a collection of nearly five hundred fantastic tales and anecdotes written in Classical Chinese A Grammar of Southern Pomo Neil Alexander Walker,2020-02-15 A title in the Recovering Languages and Literacies of the Americas initiative supported by the Andrew W Mellon Foundation A Grammar of Southern Pomo is the first comprehensive description of the Southern Pomo language which lost its last fluent speaker in 2014 Southern Pomo is one of seven Pomoan languages once spoken in the vicinity of Clear Lake and the Russian River drainage of California Prior to European contact a third of all Pomoan peoples spoke Southern Pomo and descendants of these speakers are scattered across several present day reservations These descendants have recently initiated efforts to revitalize the language The unique culture of Southern Pomo speakers is embedded in the language in several ways There are separate words for the many different species of oak trees and their different acorns which were the people s staple cuisine The kinship system is unusually rich both semantically and morphologically with terms marked for possession generation number and case Verbs similarly encode the ancient interactions of speakers with their land in more than a dozen directional suffixes indicating specific paths of movement A Grammar of Southern Pomo sheds new light on a relatively unknown Indigenous California speech community In many instances Neil Alexander Walker discusses phenomena that are rare or entirely unattested outside the language and challenges long standing ideas about what human speech communities can create and pass on to children as well as the degree to which culture and place are inextricably woven into language **Friends' Intelligencer and Journal** ,1890
