Rockefeller Foundation Funding and Medical Education in Toronto, Montreal, and Halifax Marianne Fedunkiw,2005-04-28 Fedunkiw focuses on three recipients the University of Toronto the leading Ontario medical school McGill University Canada s medical school and Dalhousie University the struggling Maritime school to demonstrate how the money made possible the introduction of full time clinical teaching and encouraged greater public and private support for medical education The shift to full time although advocated by progressive educators also led to a backlash in Toronto resulting in a provincial inquiry in Ontario that threatened to return the University of Toronto to government control Her book not only provides a history of Canadian medical education and large scale philanthropy in North America but also analyses the effects of philanthropic giving the practice of matching fund gifts and accountability *The Rockefeller Gift* Pauline Glen Winslow,1983 *Nomination of Nelson A. Gregor,2010-01-18 John D Rockefeller arrived in Cleveland in 1853 a boy of 14 and spent six decades in his adopted hometown With the Standard Oil Company s incorporation in 1870 Rockefeller became the city s most well known industrialist and from 1885 to 1917 its foremost summer resident at his Forest Hill estate Here he raised his children laid the foundation of a financial and industrial empire and established a commitment to charitable giving At the end of the Civil War Cleveland was a crucible from which would be cast the fortunes of many None were greater than Rockefeller s Rockefeller s Cleveland captures the visual panorama of a dynamic city that literally reinvented itself in the 1800s and in doing so emerged a major business and industrial center Rockefeller, Carnegie, and Canada Jeffrey Brison,2005-12-01 In the first half of the twentieth century the Rockefeller Foundation and the Carnegie Corporation helped to create and maintain a cultural and intellectual infrastructure in Canada that benefited key institutions such as University of Toronto McGill University the National Gallery the Humanities Research Council of Canada and the Canadian Social Science Research Council Jeffrey Brison documents how American philanthropy facilitated the transformation from a private localized system of cultural intellectual and academic patronage to a complex nation based system of incorporated patronage a system in which the major patron was the federal state His study calls into question our essentialistic notions of contrasting national identities and the now mythologized juxtaposition of an American culture fueled by the free market with a Canadian one sustained by state support *The President's Report* University of Chicago,1905 1897 98 includes summaries for 1891 to 1897 **New International Yearbook** ,1914 **The Scientific Monthly** ,1919
