Marlon Brando Burt Kearns,2024-04-02 Over the last eighty years Marlon Brando has become such an object of fascination buried under so many accreted layers of mythos and half truth that it is all but impossible to see the man behind the icon As we approach the centennial of this undisputed American legend Marlon Brando Hollywood Rebel is a revelatory biography that tells its story the same way the man himself approached a role from the inside Author journalist and pop culture authority Burt Kearns digs deep into the unexplored aspects of Brando s career interests and singular personality revealing how his roles on stage and screen combined with his wild and restless personal life helped to transform popular culture and society writ large His influence was both broad and deep Brando s intense approach to acting technique was emulated by his contemporaries as

well as generations of actors who followed from Nicholson and DeNiro to DiCaprio and Gosling But his legacy extends far beyond acting His image in *The Wild One* helped to catalyze a youth revolution setting the stage for rock n roll culture in a way that directly inspired Elvis Presley the Beatles Andy Warhol and punk rock culture Brando was also frank about his affairs with both sexes a leader of the sexual revolution and a hero of gay culture he defied stereotypes and redefined sexual boundaries in his life and the roles he played But of all his passions activism was even more important to Brando than acting he was an early supporter of Israel civil rights the American Indian movement Black Power gay rights and environmentalism Startlingly intimate and powerfully told *Marlon Brando Hollywood Rebel* shows how the greatest actor of the twentieth century helped lead the world into the twenty first *Ossie* Martin King, Martin Knight, Peter Osgood, 2012-01-27 In a 16 year career spent with Chelsea and Southampton goal scoring legend Peter Osgood made 560 appearances scoring 220 goals and winning two FA Cup winners medals He was part of the victorious Chelsea side that defeated the mighty Real Madrid in the 1971 European Cup Winners Cup final and is the last player to have scored in every round of the FA Cup including the final Ossie tells the story of the career and the extraordinary roller coaster personal life of the man who spearheaded a team that made as many headlines off the field as on The truth about the hard drinking and hard living antics of these Kings Road dandies Hudson Cooke Baldwin and company has never before been told Osgood tells of his strained relationship with manager Dave Sexton which resulted in his and other stars departures triggering a decline in Chelsea FC's fortunes that took some 20 years to reverse He recounts his experience in the Mexico World Cup of 1970 and is brutally honest about the challenges and problems faced by ex footballers as they attempt to adjust to life in mainstream society Peter Osgood was no ordinary footballer and Ossie is no ordinary football autobiography Like the King of Stamford Bridge himself was this book is entertaining outspoken and full of surprises *The Cinema of Wim Wenders* Roger F. Cook, Gerd Gemünden, 1997 The Cinema of Wim Wenders the first anthology of scholarly work on Wenders is a unique anthropology of source materials and selected critical essays on the films of Wim Wenders a major filmmaker in the so called New German Cinema movement His work probably more than that of any other European director reflects the tension between the European auteur tradition and the increasing dominance of the American media industry In both his filmmaking and his critical writing he explores how the relationship between image and narrative manifests the basic opposition between these two film traditions This book serves as an introduction to the central concerns of his cinema while situating his work within German film history and the contemporary debates about postmodern film and media theory **Beautiful People** Simon Doonan, 2009-04-14 A wickedly funny memoir with echoes of David Sedaris and Augusten Burroughs Beautiful People originally published in hardcover as *Nasty* is now a BBC comedy hit series from the producer of *Ab Fab* and *The Office* Proclaimed the most brilliant brash thing in type by Liz Smith Simon Doonan's saucy prose has established him as an emerging star among literary humorists In this break through memoir reminiscent of both Sedaris and Burroughs he revisits the landscape of his youth and displays the

irresistible charm that earned him his dedicated audience Long before he became a celebrity in his own right as the author of best selling books as the style arbiter of VH1 and America's Top Model and the marketing genius behind Barney's New York Simon Doonan was a scabby knee d troll in Reading England In Beautiful People Doonan returns to the working class neighborhood of his youth and chronicles the misadventures of the Doonan clan in all their wacky glory Readers meet his mother Betty whose gravity defying peroxide hairdo signified her natural glamour his father Terry an amateur vintner who turned parsnips into the legendary Chateau Doonan his grandfather D C a hard drinking betting man who plotted to win his fortune by turning Simon into a jockey and his demented grandma Narg and schizophrenic Uncle Ken both of whom lived upstairs Fearing he would fall victim to the insanity that runs in his family or worse the banality of suburban life Doonan decamps with his flamboyant best friend Biddie to London where they hope to find the Beautiful People that elusive clan who luxuriate on floor pillows and amuse each other with bon mots Throughout the memoir in essays about family holidays the tart who lived next door his first job Doonan continues his bumbling pursuit of the fabulous life only to learn in the end that perhaps the Beautiful People were the ones he left behind *The Encyclopedia of Popular Music: Indexes* Colin Larkin, 2006

multiplatinum albums and were embraced and befriended by classic rock acts like the Rolling Stones and Led Zeppelin as well as original punk heroes such as the Sex Pistols the Damned and the Clash and rock and roll originators Carl Perkins and Jerry Lee Lewis After ten years of marriage to actress Britt Ekland Slim Jim moved down the hill to Sunset Strip where his son was raised and he owned the world famous rock and roll bar Cat Club while continuing to play with a host of well known musicians Slim Jim a veteran of the London and LA music scenes recounts in his memoir not just the Stray Cats rise but a different type of life spent in the upper echelon of rock and roll stardom [Black Boy O'Connor](#) Bryan O'Connor, 2022-01-08 This is a story of a young black boy with an unmistakable Irish surname who takes you on a journey of the first half of his life living and growing up in a totally white middle class neighbourhood When he starts school he finds he is still the only black face this doesn't change throughout all of his school years The story passes from early years to teenage years and into young
