Rockford Family Secrets:

Rockford Family Secrets Karen A. Gibson, 2003-11-25 This story is about a very open woman who met a man whose life is full of secrets a man who has never had a stable relationship with any woman in his life including his mother This is a man so full of hatred of women he is incapable of loving one Not to make excuses but it may not be entirely his fault That is because he was brought up in a family that didn't show love so he didn't learn love He grew up in complete and utter chaos being shuffled from one family member to the next even to some non family members people just on the block Not one any more reputable than the previous That could be due to the fact that they all had at that time one or more substance abuse problems coupled with the fact that his mother had six boys she didn't want to or just couldn't handle so they were allowed to run wild From what I gather the woman glows when she recounts stories of their youth and how everyone in the neighborhood would complain that her children were beyond bad She marvels at the fact that people would confuse one child for another when trouble came knocking It is my understanding she never attempted to discipline them but instead would defend them against their accusers fully aware of their guilt We're talking about a woman that hid the fact that one of her sons killed the other and allowed another man to go to prison for it Whatever the case the gentleman and I use that term loosely in this story has stumbled into my world and I am compelled to tell about it *Family Secrets* Jeff Coen, 2009-04-01 Even in Chicago a city steeped in mob history and legend the Family Secrets case was a true spectacle when it made it to court in 2007 A top mob boss a reputed consigliere and other high profile members of the Chicago Outfit were accused in a total of eighteen gangland killings revealing organized crime's ruthless grip on the city throughout the 1960s 1970s and 1980s Painting a vivid picture of murder courtroom drama family loyalties and disloyalties journalist Jeff Coen accurately portrays the Chicago Outfit's cold blooded and sometimes incompetent killers and their crimes in the case that brought them down In 1998 Frank Calabrese Jr volunteered to wear a wire to gather evidence against his father a vicious loan shark who strangled most of his victims with a rope before slitting their throats to ensure they were dead Frank Jr went after his uncle Nick as well a calculating but sometimes bumbling hit man who would become one of the highest ranking turncoats in mob history admitting he helped strangle stab shoot and bomb victims who got in the mob's way and turning evidence against his brother Frank The Chicago courtroom took on the look and feel of a movie set as Chicago's most colorful mobsters and their equally flamboyant attorneys paraded through and performed James Jimmy Light Marcello the acting head of the Chicago mob Joey the Clown Lombardo one of Chicago's most eccentric mobsters Paul the Indian Schiro and a former Chicago police officer Anthony Twan Doyle among others Re-creating events from court transcripts police records interviews and notes taken day after day as the story unfolded in court Coen provides a riveting wide angle view and one of the best accounts on record of the inner workings of the Chicago syndicate and its control over the city's streets *Annie's Heaven* Karla Clark, 2008-10 Have you ever wondered if your lost loved ones can look down on you from Heaven Annie Langdon can And

what she sees is a family falling apart It s been a year since her tragic death and still her husband and three children can t seem to get it together Help comes when three kooky blonde bombshells move in next door and turn their lives upside down In her latest novel Annie s Heaven Karla Clark intimately explores the themes of life and afterlife family secrets sibling rivalry and death defying love **Family Affair** Sam Giancana, Scott M.
