Passion of the Infant Christ Caryll Houselander, 2017-03-20 Although forgotten until quite recently Caryll Houselander who died in 1954 was a sensitive and profound English Roman Catholic writer on Christian spirituality In this critical edition of her 1949 book *The Passion of the Infant Christ* Houselander argues that the physical world is an inscaped revelation of the mind of the Creator Every concrete object and every temporal event mirrors the eternal just as the circumstances surrounding the birth of Jesus mirror the circumstances surrounding his death and resurrection Editor Kerry Walters discusses both Houselander's life and the primary themes of *The Passion of the Infant Christ* in his introduction to this critical edition of one of Houselander's most insightful books *Reading the Bible in a Secular Age* Julius-Kei Kato, 2023-07-24 In a secular age which dismisses once revered matters such as Bible reading is there still a point to reading and studying Christianity's foundational text This book will answer an unequivocal Absolutely Why For us located in the West the Bible is a vital part of our spiritual ancestry a dominant idea of the book Hence learning how to read and interpret the Bible properly particularly the New Testament is like getting to know our spiritual ancestry better The main strategy that this work will suggest is to treat the New Testament as a metaphorical textual village where some of our most important spiritual ancestors continue to live If we learn some good strategies to communicate with them we will be able as it were to visit this village have meaningful conversations with our spiritual ancestors and thus become better grounded in our spiritual ancestry here in the West With that we can return to our secular context better equipped both to embrace and wrestle with that spiritual ancestry Hopefully that will also help us to create for ourselves a meaning system or spirituality that would be appropriate for our present world while being well grounded in our spiritual tradition [Caryll Houselander: A Biography](#) Coady, Mary Frances, 2023-10-13 A biography of the elusive 20th century English writer who wrote such classics of Catholic spirituality as *The Reed of God* and *The Flowering Tree* [Called by God: Discernment and Preparation for Religious Life](#) Rachael Marie Collins, 2017-08-01 In *Called by God Discernment and Preparation for Religious Life* Rachael Marie Collins provides an overview of the spiritual life both its joys and its challenges and guides women as they discern whether they are called to be religious sisters or nuns In a series of letters written by the author to a trusted friend discerning whether to enter religious life *Called by God* explores both discernment and spirituality The key to discernment Collins argues is to prepare for religious life by entering deeply into a life of prayer and sacrifice so that one experiences and begins to understand the work of a religious before entering the convent *Called by God* draws heavily on the wisdom of great Catholic women such as Teresa of Avila Thérèse of Lisieux Zélie Martin Edith Stein Teresa of the Andes Elizabeth of the Trinity Miriam Teresa Demjanovich Elizabeth Leseur and Caryll Houselander among others Women discerning a vocation will benefit immensely from the discussions about the difference between religious life and marriage the nature of a vocation the supernatural superiority of religious life and spiritual motherhood in *Called by God*
