Rocky Bear Meets Jesus:

Rocky Bear Meets Jesus REV Robert Ramey, Jr.,2005-10 These stories will help introduce children to the Christian faith in a simple humorous way They deal with everyday life situations as illustrated by Rocky a bear who comes to live on the vacant lot next door Meet Jesus Knofel Staton,2000-10-17 Meet the Bible Philip Yancey,Brenda Quinn,2010-05-11 The story of the Bible starts with the simple statement In the beginning God created From that first sentence of Genesis the story of salvation unfolds in strange and wonderful mingling of the commonplace and the miraculous the human and the transcendent But if you were born after the baby boom chances are the Bible seems more like an item of passing interest than a book of depth and meaning for the twenty first century If you re not familiar with the Bible it can be difficult to put into perspective the puzzle of kings and prophets giants and seven headed dragons shepherd boys and itinerant preachers Old Testament law and New Testament grace Meet the Bible introduces you to the full epic sweep of the Bible the characters the places the times the stories and the meanings of this Book of books and shows you that even the most obscure passage can hold relevance for your life once you understand what to look for Award winning writer Philip Yancey and author Brenda Quinn are your guides on this one year reading tour of the Bible Each day s reading includes Scripture contemporary commentary and questions for contemplation all designed to offer insight into how the passage fits into the overall story of the Bible and how it can speak to your life today Meet the Bible takes you through the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Jesus Christ Here are stories to remember images of real people and circumstances closer to your own life than you ve ever imagined By the time you ve finished the year s worth of reading you ll have gained a panoramic view of the whole Bible and a firm understanding of its ideas and teachings If you ve never read the Bible or hardly know the Bible or would just like to read the Bible in a fresh new way Meet the Bible offers an inspiring mix of timeless wisdom and contemporary insight that will cause faith to ignite within you Direct excerpts from Scripture give readers a panoramic tour of the Bible s key passages personalities events and ideas as the Old Testament sweeps into the New Testament Culturally relevant commentary from Quinn and Yancey sheds light on each day s passage examining the twists and turns of the Bible s many narratives the high points and the low points the good characters and the bad as well as the eternal thoughts and descriptions of God and his Son Reflections every five days provide life application for the week s Scripture readings Annual Conference of the Church of Jesus Christ of Latter-Day Saints Reorganized Church of Jesus Christ of Latter Day Saints,1900 Vols for 1905 include also the proceedings of the general conference of the Deseret Sunday School Union **Crossing the Boundaries** Rick Strelan,2019-02-28 Mark the shortest of the four gospels presents Jesus as the Son of God who crosses the religious and social boundaries of his time in order to extend God s rule to include the outsiders and those who are unclean It continues to challenge readers to follow Christ across the boundaries that separate

people This commentary like others in the Chi Rho series uses language that is simple and clear avoiding technical terms It gives an explanation of the text that is sound and reliable easy to understand without being superficial *The 3N1: A Trilogy of Spiritually Filled Motivational Messages* Wm. Church of Jesus Christ of Latter-day Saints Matthias F. Cowley,1909 *Preaching Mark's Gospel* Richard A. Jensen,1996 In a classic case of failing to see the forest for the trees Jensen a homiletics professor and author of two works on narrative preaching says that preachers tend to analyze biblical books to glean the slightest bits of exegetical data yet miss the thrust of the overarching story they try to convey Jensen contends that preachers get too caught up in an analytical left brained mentality that obscures the power and meaning of the good news story In these pages Jensen helps us approach Mark s gospel with eyes wide open rather than with microscope in hand He treats Mark s gospel as a narrative whole and challenges preachers to tell the gospel s story to their congregations In doing so Jensen emphasizes the strength of biblical stories He says that these stories are powerful in and of themselves and that they work without much explanatory help The problem is that listeners never hear the entire story because it s always told to them in bits and pieces Jensen s adaptation of what Robert Alter author of *The Art of Biblical Narrative* calls narrative analogy assumes that parallel acts or situations are used to comment on each other in biblical narrative In other words if Mark told story B to flesh out the reality of story A then perhaps preachers today can do the same thing in their preaching Students of Jensen have enthusiastically embraced this approach This is great we never get to hear them stories whole How did it ever occur to us that we could improve on the story of the Prodigal Son for example by reducing it to ideas Richard A Jensen teaches homiletics at Wartburg Seminary in Dubuque Iowa and Lutheran School of Theology at Chicago He is best known for his ten year stint as preacher for the national radio program Lutheran Vespers He has also produced a television series titled *Reflections* and one titled *Rhapsody*
