Rodion Shchedrinchastushki:

Rodion Shchedrin Rodion Shchedrin, 2014-04-02 Rodion Shchedrin is internationally recognized as the pre eminent contemporary composer of the Russian modern school His autobiography looks back over an eventful life and provides a variety of stimulating insights behind the facade of the international music scene Along the way Shchedrin elaborates highly personal views on the political situation and many other aspects of life in the former Soviet Union turning an unsparing eye on the machinery of ideological repression exerted on artists as they struggled to interpret and conform to the constantly mutating diktats of the regime A wealth of anecdotes and humorous observations offer the reader glimpses of the author s essentially sanguine and life enhancing disposition

and musical life under Stalin and the so called Bronze Age of Soviet music after Stalin's death Music of the Soviet Era 1917-1991 considers the privileged position of music in the USSR in comparison to the written and visual arts Through his examination of the history of the arts in the Soviet state Hakopian's work celebrates the human spirit's wonderful capacity to derive advantage even from the most inauspicious conditions [Balanchine's Apprentice](#) John Clifford, 2021-09-14 A talented young dancer and his brilliant teacher In this long awaited memoir dancer and choreographer John Clifford offers a highly personal look inside the day to day operations of the New York City Ballet and its creative mastermind George Balanchine Balanchine's Apprentice is the story of Clifford an exceptionally talented artist and the guiding inspiration for his life's work in dance Growing up in Hollywood with parents in show business Clifford acted in television productions such as The Danny Kaye Show The Dinah Shore Show and Death Valley Days He recalls the beginning of his obsession with ballet At age 11 he was cast as the Prince in a touring production of The Nutcracker The director was none other than the legendary Balanchine who would eventually invite Clifford to New York City and shape his career as both a mentor and artistic example During his dazzling tenure with the New York City Ballet Clifford danced the lead in 47 works several created for him by Balanchine Jerome Robbins and others He partnered famous ballerinas including Gelsey Kirkland and Allegra Kent He choreographed eight ballets for the company his first at age 20 He performed in Russia Germany France and Canada Afterward he returned to the West Coast to found the Los Angeles Ballet where he continued to innovate based on the Balanchine technique In this book Clifford provides firsthand insight into Balanchine's relationships with his dancers including Suzanne Farrell Examining his own attachment to his charismatic teacher Clifford explores questions of creative influence and integrity His memoir is a portrait of a young dancer who learned and worked at lightning speed who pursued the calls of art and genius on both coasts of America and around the world [Rodion Shchedrin - Chastushki](#), 2002-02 Piano Russian master composer Rodion Shchedrin born 1932 wrote Chastushki which translates to Ditties in English as a piano solo version of his Orchestral Concerto No 1 Naughty Limericks of 1963 [Russian Music at Home and Abroad](#) Richard Taruskin, 2016-09-06 This new collection views Russian music through the Greek triad of the Good the True and the Beautiful to investigate how the idea of nation embeds itself in the public discourse about music and other arts with results at times invigorating at times corrupting In our divided post Cold War and now post 9/11 world Russian music formerly a quiet corner on the margins of musicology has become a site of noisy contention Richard Taruskin assesses the political and cultural stakes that attach to it in the era of Pussy Riot and renewed international tensions before turning to individual cases from the nineteenth century to the present Much of the volume is devoted to the resolutely cosmopolitan but inveterately Russian Igor Stravinsky one of the major forces in the music of the twentieth century and subject of particular interest to composers and music theorists all over the world Taruskin here revisits him for the first time since the 1990s when everything changed for Russia and its cultural products Other essays are devoted to the cultural and social policies of the Soviet Union and their

effect on the music produced there as those policies swung away from Communist internationalism to traditional Russian nationalism to the musicians of the Russian postrevolutionary diaspora and to the tension between the compelling artistic quality of works such as Stravinsky's *Sacred Spring* or Prokofiev's *Zdravitsa* and the antihumanistic or totalitarian messages they convey *Russian Music at Home and Abroad* addresses these concerns in a personal and critical way characteristically demonstrating Taruskin's authority and ability to bring living history out of the shadows **Bericht Über Den ...
