Roger Waters What God Wants Part 1:

Roger Waters Dave Thompson, 2013-08-01 Book To some he is the face behind classic Pink Floyd To others he is the temperament behind some of the greatest albums of the rock era And to others still he is one of the most original songwriters of a generation that overflows with notable talent To all he is an enigma a rock star who not only eschewed stardom but also spent much of his career railing against it But to call Roger Waters a mass of contradictions is simply taking the easy way out He is so much more than that Roger Waters *The Man Behind the Wall* is the first full biography of the author of *The Dark Side of the Moon* *Wish You Were Here* and of course *The Wall* It traces his life from war torn suburbia to the multitude of wars he has fought since then with his bandmates with his audience and most of all with himself Packed with insight and exclusive interviews with friends and associates *Roger Waters The Man Behind the Wall* dismantles the wall brick by brick revealing the man who built it in all his glory

Pink Floyd Hugh Fielder, 2023-10-24 *Pink Floyd Behind the Wall* is a comprehensive history of the legendary band featuring photos album covers and posters as well as insight into their iconic songs and albums

Roger Waters and Pink Floyd Phil Rose, 2015-01-14 Beyond its elucidation and critique of traditional notation centric musicology this book's primary emphasis is on the negotiation and construction of meaning within the extended musical multimedia works of the classic British group Pink Floyd Encompassing the concept albums that the group released from 1973 to 1983 during Roger Waters final period with the band chapters are devoted to *Dark Side of the Moon* 1973 *Wish You Were Here* 1975 *Animals* 1977 *The Wall* 1979 and *The Final Cut* 1983 along with Waters third solo album *Amused to Death* 1993 This book's analysis of album covers lyrics music and film makes use of techniques of literary and film criticism while employing the combined lenses of musical hermeneutics and discourse analysis so as to illustrate how sonic and musical information contribute to listeners interpretations of the discerning messages of these monumental musical artifacts Ultimately it demonstrates how their words sounds and images work together in order to communicate one fundamental concern which to paraphrase the music journalist Karl Dallas is to affirm human values against everything in life that should conspire against them

Watson, 2016-08-08 Conventional wisdom holds that C S Lewis was uninterested in politics and public affairs The conventional wisdom is wrong As Justin Buckley Dyer and Micah J Watson show in this groundbreaking work Lewis was deeply interested in the fundamental truths and falsehoods about human nature and how these conceptions manifest themselves in the contested and turbulent public square Ranging from the depths of Lewis philosophical treatments of epistemology and moral pedagogy to practical considerations of morals legislation and responsible citizenship this book explores the contours of Lewis multi faceted Christian engagement with political philosophy generally and the natural law tradition in particular Drawing from the full range of Lewis corpus and situating his thought in relationship to both ancient and modern seminal thinkers *C S Lewis on Politics and the Natural Law* offers an unprecedented
