Roger Williams; the Pioneer of Religious Liberty Oscar Solomon Straus,1894 BIOGRAPHY OF ROGER WILLIAMS AND HIS RELATIONSHIP WITH OTHER COLONIES INDIANS AND HIS ESTABLISHMENT OF RHODE ISLAND A COLONY THAT PERMITTED RELIGIOUS FREEDOM FOR ALL Roger Williams Oscar S. Straus,1970 **Roger Williams** Edwin S. Gaustad,2001-05-10 Roger Williams chronicles the life of one of the most remarkable forefathers of American history A true revolutionary of his time this devout Puritan championed Native American rights wrote treatises on equal rights flag desecration and the separation of church and state established the first American settlement based on complete religious toleration and he lived almost two centuries before independence when America was still a vast wilderness Williams went on to adopt adult baptism and founded the first Baptist church in America He became president of Rhode Island colony in 1654 served as captain in the defense of Providence during King Philip s War and continued to write and preach passionately for religious tolerance and Native American rights until his death in 1683 Roger Williams Oscar Solomon Straus,2018-02-18 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Roger Williams* Oscar Solomon Straus,2015-09-02 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Roger Williams - The Pioneer of Religious Liberty** Oscar S. fascinating novel of the period and still an interesting read today Contents include The function of Latin Chansons De Geste The Matter of Britain Antiquity in Romance The making of English and the settlement of European Prosody Middle High German Poetry The Fox The Rose and the minor Contributions of France Icelandic and Provencal The Literature of the Peninsulas and Conclusion Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork Roger Williams Oscar S. Straus,2015-06-29 Excerpt from Roger Williams The Pioneer of Religious Liberty The Reformation the Puritan Revolution and the establishment of Religious Liberty are the important stages in the development of freedom from medieval despotism to the modern recognition of the inalienable rights of man They are links in the chain of history stretching from the reign of Henry VIII to the adoption of the Constitution of the United States The apostles of these three epochs are Luther Cromwell and Roger Williams The first lessened the tyranny of the Church by dividing it The second weakened the claims of absolute monarchy by overturning the throne of the British empire and the third reclaimed liberty of conscience by separating the functions of Church and State The value and significance of a reform are not measured by the population or the extent of the area in which it has its rise On the contrary the larger the principle the smaller must often be the community in which it can best be tested About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
