Rogue Male Roger Field And Geoffrey Gordo, N Creed, 2011-04-14 This is the untold story of one of the most lethal and successful soldiers of the Second World War a highly decorated hero as well as a self confessed rogue In the tank war in the desert of North Africa Mister Major Geoff as he came to be known quickly showed himself a soldier of superb athleticism unwavering will to win and almost superhuman instincts when it came to survival and outwitting the enemy Almost incredibly he won the Military Cross on his very first day in action He fought alongside the SAS in its early days and was with them while they were forging the ruthless fighting techniques that have made them feared throughout the world He played a decisive role in the Greek resistance to German occupation and was praised by Churchill when he held up two German divisions more or less single handedly While in Greece he also became involved in some of the dirtiest hand to hand fighting of the war To the men with whom he fought shoulder to shoulder he was Saint Geoff to his enemies he was the devil incarnate a man who would stop at absolutely nothing and to his critics among the partisans he was a womanizer more interested in enjoying himself than killing the enemy This is an honest account of winning the war not by fair play but by being more ruthless than your enemy But maybe what is even more extraordinary than his soldiering its predatory ruthlessness and amorality is the frank account of sexual adventuring that went with it This is how the dogs of war behave when they are let off the leash
