Roll Over Che Guevara Travels Of A Radical Reporter:

Roll Over, Che Guevara Marc Cooper, 1994 At the age of twenty after being expelled from his California university for anti war activism Marc Cooper moved to Santiago and worked as translator for Chilean President Salvador Allende The heat of Allende s socialist revolution forged Cooper s political and reporting skills indelibly imprinting them with a radical perspective In 1973 at great personal risk he began first hand reporting on the fiery destruction of Allende s government and Chilean democracy as a result of the US financed coup Twenty years later traveling as a radical journalist in a reactionary world Cooper continues to chronicle with biting humor and revealing detail the events that make our headlines In Roll Over Che Guevara he takes us on a breakneck tour of the New World Order including Pinochet s Chile Nicaragua in the last hours of the Sandinistas Soweto under siege Panama still smoking after the US invasion Baghdad bracing for the apocalypse and into the new Moscow mafia In the title piece we met up with Che Guevara s grandson and a new generation of Cuban youth still yearning for Che s ever elusive promise of freedom The book s second half set exclusively in the USA gives us a ground level view of a society in dizzying decay We fly in Bill Clinton s private campaign plane from New Hampshire to Georgia while the candidate shifts his image even his accent in the quest for votes We are guided through America s cultural battleground from Dan Quayle and his confrontation with Hollywood to the Ambassadors from Armageddon who dominated the 1992 Republican convention And when Cooper s home town Los Angeles burns with a thousand fires of rage he takes us to the very edge of history describing America s war against itself This incredible journey culminates in a swirling careening and highly personal trip to the city that stands as an icon for the marketplace ethos of our times Las Vegas
