Robertson's Book of Firsts Patrick Robertson, 2011-11-11 Completely unlike any encyclopedia before it The Book of Firsts is the product of decades of archiving and research from the incredible Patrick Robertson For many years the proprietor of a stock photo archive and collector of all forms of ephemera Robertson boasts a library that includes ads clippings and archival materials going back well over 100 years In this amazing work Robertson indexes and describes the things he considers socially relevant such as the first black head of a white government it s not who you think the first baby carriage and the first department store He writes about all this with an unparalleled knowledge and impossible to fake fluency with a staggering number of subjects What s more Robertson renders this massive reference with subtle but distinctive humor and an eye for fascinating detail Every entry in this book includes a first time in America and many also have firsts from elsewhere in the world With a handsome design and an oversized trim this will be both a groundbreaking work of reference and a beautiful gift for trivia heads
