Salvation Story:

The Salvation Story Mercy Ngwube, 2018 The Salvation Story is a book written with the intentions to make known God's side of the story of grace for those who wish to explore the Christian faith In the book you will discover grace as the salvation offered to mankind by God through the blood sacrifice of his Son Jesus Christ a salvation which man does not deserve but has been offered because of the infinite love God feels toward mankind The book explains to the reader how anyone despite the sinful nature we all share can be saved just by accepting the sacrifice Jesus Christ offered to the Father In the book faith takes on a deeper dimension as the author shares her personal struggles with kidney failure and how her deep rooted belief that her personal relationship with God will carry her through her medical struggles It is a book that shows the reader that their faith walk was never meant to be a bed of roses Using Abraham's faith walk as an example the author has demonstrated that there will be obstacles along the way but with our eyes firmly fixed on the Lord Jesus He will lead us to our final destination heaven With a strong faith in God and desire to set our will aside and follow His commandments the author implies that we can successfully resist the worldly temptations of sin and therefore live an abundant Christian life as Jesus promised those who will believe in Him in John 10:10

Salvation Story David R. Froemming, 2016-10-20 Salvation Story responds to Douglas John Hall's claim that the world is waiting for gospel Humanity needs a clearer understanding that the gospel has come to redeem The work of Rene Girard an anthropologist demonstrates that our human culture is founded on the concealing of its own violence in religious myths and symbols Girard had hoped to enter into dialogue with Richard Dawkins whose expertise is evolution but this encounter never happened Dawkins observed how evolution is blind not unlike the blindness created by human myth and religion Bringing together the work of Girard and Dawkins provides a lens for reading scripture Salvation Story is written to challenge religious fundamentalists and atheists alike as well as the rest of us all those who realize that our current approaches to the Bible are woefully inadequate This book digs into these ancient texts to discover what we have been hiding from regarding our own evolutionary inheritance in order to discover the God who comes to save us from our own self destruction

The Simple Little Salvation Story William F. Cote, Shirley Chiang, 2014-07-15 Engage and energize young readers with a fresh take on the Gospel story of Jesus Charminglly illustrated and very accessible The Simple Little Salvation Story takes readers on a journey to help them easily understand God's loving plan of salvation And it helps parents answer lots of difficult questions along the way like why did Jesus have to die for our sins And what are sins anyway The Simple Little Salvation Story isn't just a retelling of Bible stories with colorful pictures and short sentences In fact it doesn't even start with Adam and Eve It starts with robots Yes robots Then it moves into skateboarding and helping senior citizens across the street And then it introduces what sin is and God's amazing plan to wash us clean of it so we can live with Him forever So add some of Jesus dramatic story to your story time Or give it to a child or grandchild on a special religious occasion or holiday It will help explain in an engaging way with beautiful illustrations

Kendall, 2012-06-12 No one can appreciate the size or shape of a forest without flying over top to view the big picture The Bible is like a forest and individual books are similar to trees Studying small portions of Scripture is worthwhile and necessary Nevertheless one of the first steps of discipleship after salvation should be an understanding of the big picture in the Bible God's Unfolding Story of Salvation teaches believers that the biblical storyline is Christ centered Often people think of redemptive history only in terms of its promises in the Old Testament and its fulfillment in the New Testament There is much more to the story than that In the Old Testament the Holy Spirit also points to Christ through preparation for his birth pictures or types and anticipation Since God's story ultimately affects each one of us it is worth the time and effort required to understand it If you do this you will discover a pearl of great value Forgiveness of sin and reconciliation with God are the greatest needs of everyone past present and future This redemption story brings glory to God and benefits believers *The Salvation Story* Mercy Ngwube, 2015-04-22 What an amazing book written under the unction of the Holy Spirit How do I know this It is because the book has challenged me to examine my walk with God and provided deep insights into complex texts God is truly awesome My prayer for every reader is for God to open the eyes of their understanding to enable them to appreciate the truly magnificent inheritance ahead of every child of God paraphrased Ephesians 1:17-21 and which is the main reason for the ongoing warfare The Bible makes us to understand that we are children of light and the children of the day we are not of the night nor of darkness 1 Thessalonians 5

The Old Testament Between Theology and History Niels Peter Lemche, 2008-01-01 From its inception at the time of the Enlightenment until the mid twentieth century the historical critical method constituted the dominant paradigm in Old Testament studies In this magisterial overview Niels Peter Lemche surveys the development of the historical critical method and the way it changed the scholarly perception of the Old Testament In part 1 he describes the rise and influence of historical critical approaches while in part 2 he traces their decline and fall Then in part 3 he discusses the identity of the authors of the Old Testament based on the content of the literature they wrote demonstrating that the collapse of history does not preclude critical study Part 4 investigates the theological consequences of this collapse and surveys Old Testament and biblical theology in its various manifestations in the twentieth century An appendix includes a history of Palestine from the Stone Age to modern times constructed without recourse to the Old Testament

Salvation History, Rethinking Our Story G. Douglas Hammack, 2014-01-13 If it ain't broke don't fix it But it's no secret that the Christian church is broke and does need fixing Despite great effort things are going badly for us We've tried trendy and tech savvy entrepreneurial and coffee house gritty They're not helping Our problem is deeper than that Our problem is our instincts instincts informed by our story There was a time when the Christian church was a powerfully transformative presence in society It can be again but it will require radical rethinking of the story that informs our instincts And it's time It's been five hundred years since the Reformation our last major update Today is a pivotal moment in history With our worldview upended by quantum physics history is demanding we renew the Christian story for our times *Rethinking Our Story* reframes the elements of the Christian narrative for the new era It explores quantum ways of thinking about God human nature Jesus salvation and the afterlife The future of the church and the health of our society depend on our willingness to rethink retell and live out a better story We will either update our instincts and
