the mysterious circumstances of her death raise as many questions as they do answers She was born in 1903 near the present border between Poland and Ukraine She and her family were Jewish immigrants who traveled to San Diego to find security and prosperity In the last year of her life Mann became locally famous She had reinvented herself as a flapper and Oriental dancer She claimed to have friends in Hollywood and a movie contract On the night of her murder she said she was going to a party to meet her Hollywood friends instead she traveled to an isolated roadside hotel where she met her death An autopsy revealed that she was four and a half months pregnant Absher guides the reader through the intricacies of this true crime story as it unfolded from the initial flawed investigation to the sensationalized press coverage and the ultimate failure of the legal system to ensure justice on Mann s behalf Like other new women of her era Fritzie Mann adopted roles that promised liberation from the control of men In the end her life and early death suggest the opposite she became the victim of a culture that consumed women even as it purported to celebrate them **Credit Intelligence & Modelling** Raymond A.
