Love Will Do That Tabitha R. Butler,2010-04 Have you ever been so deep in love that you found yourself doing things you never imagined Love can lift you high above the mountains but it can also drive you to the deepest valleys Even though it sometimes fails you you can't help but give it another try LOVE WILL DO THAT takes you through an array of emotions which forces you to evaluate what is important It cuts through the red tape and takes you to the core of the heart the place where love truly abides Love... will find its way? Ashish Ranjan,8-07-15 Luv is an innocent child from a lower middle class Indian family As he grows older his feelings shuttle between love and lust Unaware about the problems that their son is passing through his parents continue exerting pressure on him to excel in academics Incognisant of the cons of love he falls in love with a girl in his initial school days inviting problems His mind and heart are in constant battle The heroine does not understand his feelings and falls in love with someone else Coherent pressure of studies continues from his parents He introspects if he should succumb or commit suicide Will that girl realize his love before it is too late Will he value relationships or career more Will his parents guide him as a friend Will the love of Luv find its way The story makes you think about your past and its own craziness It's a story not just for youths but also for Indian parents **Why Love Will Always**
