Love Wisdom And Healing:

Love, Wisdom and Healing Todd Puntolillo, 2002 Love Wisdom Healing takes you the reader on a journey through your inner and outer life to observe where you've been and where you're going. It is easy to get caught up in the questions posed in this book. You can find yourself Lost in Space re-examining your life and its potential. Because the author's style is to get right to the point and waste few words, the book is brief, low in verbiage but packed with insight. There are over 100 concepts in Part 1 alone, any of which could prove to be revolutionary in your experience. You can read through this book in a very short time or pause to contemplate its very practical approach to changing your thinking and therefore your very life. The latter could become an ongoing process helping you to spiral your consciousness upward. Either way, this book has something to offer everyone who is willing to venture through the portals of the Kingdom Within to a richer, fuller life. Todd has spent fifty years studying, teaching, and practicing spiritual healing principles. He is editor and inspirational columnist for The Happy Times Monthly, a fast-growing all-good news newspaper in Florida, and writes, teaches, and speaks on his Designing a Life Series. Part 1 is allegorical. It makes you reach deep within yourself for your own truth and values. Part 2 is supportive of Part 1. There are stories that point the way to a healthy, balanced, and higher way of life. Part 3, Delving, includes biographical sketches, inspired and lyrical verse, and a deeply spiritual approach to life. Part 4 presents The Tools to break through the ideologies that put road blocks in our paths. This is a fun-filled, easy-to-read book that will bring wisdom to your mind, love and healing to your heart, and a smile to your face.
