## Love Works Like This:

Loveworks Brian Sheehan, 2013-05-28 In 2004 Kevin Roberts wrote *Lovemarks* the future beyond brands It was admired by many as a breakthrough in marketing thinking but was also controversial because of its surprisingly obvious thesis that emotional connections are at the heart of sustained relationships between producers retailers and consumers While many companies were using the language of war in their marketing target penetrate ambush Roberts was using the language of love mystery sensuality intimacy He explained in simple terms what people are often loath to admit we make decisions with our emotions over our reason *Lovemarks* described the journey by which brands could move from consumer respect based on intellect to consumer love based on emotion and in return gain loyalty beyond reason In 2010 Advertising Age magazine named *Lovemarks* one of their ideas of the decade while noting that the roadmap for brands to achieve Lovemark status was still not entirely clear *Loveworks* How the world's top marketers make emotional connections to win in the marketplace adds to the original *Lovemarks* by showcasing real world business examples and outlining the roadmaps followed by several world renowned brands to achieve Lovemark status Procter Gamble Toyota Visa General Mills Miller T Mobile and Lenovo are just a few examples of businesses winning in the marketplace through the application of the *Lovemarks* theory maintaining laser like focus on making and sustaining emotional connections with consumers *Loveworks* features 20 case stories from clients and markets worldwide in widely varying categories My book shows that *Lovemarks* thinking works anywhere anytime All it takes is having the brains to implement it the guts to see it through and an abiding faith in emotion as your compass says

Won't He Do It? God Can Do It Just Like That! Ellis O. Henderson EdD MDiv,2020-10-19 This book is not for everyone It is important that I say that because there is a notion that we are monolithic and everyone has to agree This book is for those who know who HE is I am watching Deon Cole who is an actor on the show Black ish and a comedian He was doing his stand up and he was joking about Black folk saying Won t He do it During the show he asked a white attendee who was HE and the boy didn t know Brilliantly he explained to the white doy who HE he was and told him to reply appropriately When Black people hear Won t He do it immediately they reply YES HE WILL Cole explained this to the white gentlemen and spoke into the mic and said

Won't HE do it and the white man replied YES HE WILL The audience laughed and applauded Therefore this book is for those who know who HE is This book is for those who know how to reply YES HE WILL More importantly this book is for those who want to know who HE is and why is that HE to many people is God Not that God has to be a man or masculine but God as the Ultimate authority The authority in which Mom would say Wait until you Daddy gets home He is that authoritative figure that would make things wrong right He is a Creator and the God of the Universe and God of all Gods Won't HE do it is a phrase born out of the experience of the African American Church The African American Church is the parent of the current Church worship and style in America Enslaved African created their own worship culture and fellowship that has stood the test of time
