

To my Wife

When I tell you *I love you,*
I don't say it out of habit
OR TO MAKE CONVERSATION
I say it to remind you that

I love you,

IN WAYS YOU'VE NEVER BEEN LOVED

For reasons you've never been told
For longer than you think you deserved
AND WITH MORE THAN
You will ever know existed inside me

I love you

FOREVER AND ALWAYS

LOVE, YOUR HUSBAND

Summa Theologica (All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations) Thomas Aquinas,2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man's reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man

Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory **New Wife's**

Nicoll ,1903 **A Supplement to the Morning-exercise at Cripple-gate** Samuel Annesley,1674 *Love's Grateful Striving* M. Jamie Ferreira,2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation *Traditional Marriage* Clement DeWall,2016-05-10 Traditional Marriage details how marriage developed from a private affair of taking a wife to a public taking of vows Since the time of Abraham marriage customs and practices evolved in many ways This book discusses these traditions and related topics including divorce and remarriage homosexuality the treatment of women monogamy and polygamy and the importance of ones bloodline The first part covers the Old Testament period Hebrew laws are explained along with the behavior of the Israelites The first century including the New Testament is the subject of the second part The words of Jesus and Paul are explained in their historical and biblical context especially divorce and remarriage monogamy and polygamy and the bloodline of Abraham The third part takes up the Christian era in which the theology of marriage became more complex with the introduction of wedding vows the doctrine of a marriage bond the spiritualization of marriage as a sacrament and a conflict between theology and practice regarding divorce and remarriage We see how different branches of Christianity developed their theology and practice in contradictory directions The purpose of the book is to present historical and biblical facts and not to take a stand favoring any position on traditional marriage and its related topics *Have a Heavenly Marriage* David Henry Sorenson,2000
