An Anglo-American Tragedy....** Evelyn Waugh (romancier.), 1965 [Gods and Monsters](#) Noah Tsika, 2010-07 *Gods and Monsters* one of three inaugural titles in Arsenal's film book series *Queer Film Classics* deals with the acclaimed 1998 film about openly gay film director James Whale best known for the *Frankenstein* films of the 1930s Written and directed by Bill Condon *Dream girls* the film focuses on the final days of Whale's life in the 1950s Moving from the slums of Britain in the early twentieth century to the new era of talkies in Hollywood and beyond *Gods and Monsters* trains a gay eye on the historical events that helped shape Whale played by Ian McKellen and his films In 1957 long after his career had peaked he recounts his experiences to his young straight gardener played by Brendan Fraser with whom he forms an uncommon bond The resulting film was widely acclaimed winning an Oscar for Condon's screenplay and nominations for both McKellen and co star Lynn Redgrave Noah Tsika's book examines *Gods and Monsters* from a variety of perspectives highlighting the complexity and significance of its

achievements including its fusion of fantasy and biography

Death in a Consumer Culture Susan Dobscha, 2015-12-22

Death has never been more visible to consumers. From life insurance to burial plots to estate planning, we are constantly reminded of consumer choices to be made with our mortality in mind. Religious beliefs in the afterlife or their absence impact everyday consumption activities. *Death in a Consumer Culture* presents the broadest array of research on the topic of death and consumer behaviour across disciplinary boundaries. Organised into five sections covering The Death Industry, Death Rituals, Death and Consumption, Death and the Body, and Alternate Endings, the book explores topics from celebrity death tourism, pet and online memorialization, family history research to alternatives to traditional corpse disposal methods and patient assisted suicide. Work from scholars in history, religious studies, sociology, psychology, anthropology, and cultural studies sits alongside research in marketing and consumer culture. From eastern and western perspectives spanning social groups and demographic categories, all explore the ubiquity of death as a physical, emotional, cultural, social, and cosmological inevitability. Offering a richly unique anthology on this challenging topic, this book will be of interest to researchers working at the intersections of consumer culture, marketing, and mortality.

Funeral Festivals in America Jacqueline S.

Thursby, 2021-11-21. When Evelyn Waugh wrote *The Loved One* (1948) as a satire of the elaborate preparations and memorialization of the dead taking place in his time, he had no way of knowing how technical and extraordinarily creative human funerary practices would become in the ensuing decades. In *Funeral Festivals in America*, author Jacqueline S. Thursby explores how modern American funerals and their accompanying rituals have evolved into affairs that help the living with the healing process. Thursby suggests that there is irony in the festivities surrounding death: The typical American response to death often develops into a celebration that reestablishes links or strengthens ties between family members and friends. The increasingly important funerary banquet, for example, honors an often well-lived life in order to help survivors accept the change that death brings and to provide healing fellowship. At such celebrations and other forms of the traditional wake, participants often use humor to add another dimension to expressing both the personality of the deceased and their ties to a particular ethnic heritage. In her research and interviews, Thursby discovered the paramount importance of food as part of the funeral ritual. During times of loss, individuals want to be consoled, and this is often accomplished through the preparation and consumption of nourishing, comforting foods. In the Intermountain West, Funeral Potatoes (a potato cheese casserole) has become an expectation at funeral meals. Muslim families often bring honey-flavored fruits and vegetables to the funeral table for their consoling familiarity, and many Mexican Americans continue the tradition of tamale making as a way to bring people together to talk, share memories, and to simply enjoy being together. *Funeral Festivals in America* examines rituals for loved ones separated by death, frivolities surrounding death, funeral foods and feasts, post-funeral rites, and personalized memorials and grave markers. Thursby concludes that though Americans come from many different cultural traditions, they deal with death in a largely similar approach. They emphasize unity and embrace rites that soothe the distress of death as a way to heal.

Lubin, 2025-08-12 For readers of Sam Wasson and Glenn Frankel a cultural history about the making and lasting significance of *Sunset Boulevard* whose piercing and in many ways prophetic critiques of fame continue to resonate today Great films are born of great collaborations and *Sunset Boulevard* represents one of the most extraordinary confluences of cinematic talent in film history but its production was surprisingly fraught filled with unexpected twists Why was William Holden who had never caught fire as a leading man hired to play Joe Gillis after the fastest rising star in the business dropped out at the last minute After Mae West and Mary Pickford turned down the now iconic role of Norma Desmond how did Billy Wilder convince Gloria Swanson who had long been absent from Hollywood at this point to leave her low paying job as a TV talk show host to join the cast From the writers room during Billy Wilder and Charles Brackett's final collaboration to the moment when the film won three Academy Awards scholar and former Rolling Stone staffer David M. Lubin takes readers on a fascinating journey through film history that proves once and for all why *Sunset Boulevard* is one of the most iconic films in cinematic history Just in time for the film's 75th anniversary *Ready for My Closeup* breathes life into a beloved masterpiece of American cinema *Children's Understanding of Death* Victoria

Talwar, Paul L. Harris, Michael Schleifer, 2011-04-25 In order to understand how adults deal with children's questions about death we must examine how children understand death as well as the broader society's conceptions of death the tensions between biological and supernatural views of death and theories on how children should be taught about death This collection of essays comprehensively examines children's ideas about death both biological and religious Written by specialists from developmental psychology pediatrics philosophy anthropology and legal studies it offers a truly interdisciplinary approach to the topic The volume examines different conceptions of death and their impact on children's cognitive and emotional development and will be useful for courses in developmental psychology clinical psychology and certain education courses as well as philosophy classes especially in ethics and epistemology This collection will be of particular interest to researchers and practitioners in psychology medical workers and educators both parents and teachers

Meaning and Lexicography Jerzy Tomaszczyk, Barbara Lewandowska-Tomaszczyk, 1990 While lexicology lexical semantics and lexicography all share an interest in lexical items they often tend to be regarded as three separate albeit interrelated fields Indeed the extent to which the interrelationship is recognized and taken into account in lexicographic practice is the moot point The conference which produced the papers offered in this volume was designed to bring their practitioners together and thus gives an impetus to closer cooperation among them It is the editors' conviction that the practical activity of lexicography should learn more from its sister fields People working in lexicography lexical semantics etc may find some of the insights arrived at in the more practically oriented descriptions pertinent and useful City at the Edge of Forever Peter Lunenfeld, 2020-08-11 An engaging account of the uniquely creative spirit and bustling cultural ecology of contemporary Los Angeles How did Los Angeles start the 20th century as a dusty frontier town and end up a century later as one of the globe's
