My First Girlfriend Nature Satyendra Sonkar, 2017-01-15 The author s first girlfriend nature is the first part of the book He is explaining the beauty of nature The beauty of nature is too beautiful and is never understood by the stupid humans Nature is being polluted by human beings Too much increase of the earth s temperature is a very critical situation for human beings The ice glaciers

are melting due to global warming Forests rivers and seas are destroyed by humans alone The beautiful nature is weeping many times but nature can get angry and destroy everything in a second The author warns us that it may be 2099 and the entire country may be covered by sea or big earthquakes may occur These predictions have been made by some scientists In modern times love and humanity are dying Nature is weeping and upset while the humans are fighting each other The conditions are not good for surviving on the earth His philosophy is to change the human nature and love the beautiful nature The best and most beautiful things in the world cannot be seen or even touched they must be felt with the heart In the second part of the book the name of the story is Anunnaki They came from heaven It deals with the real story of human life in the 5000 BC how human race came on earth The author also tries to explain why the Anunnaki is disappeared This story is too mysterious The history of science and technology and philosophy are used in his books The Anunnaki came to earth and they spread more knowledge science and technology and provided good culture The humans gained too much from them The Anunnaki had long wings and flew in the sky The Anunnaki is the most thrilling topic The new SUPERHERO COMES IN INDIA IT MAY BE 2099 WHEN THE ANUNNAKI COMES BACK TO EARTH Manhattan Loverboy Arthur

This Littler Light Jesse James DeConto,2013-11-01 Like other evangelical kids Jesse James DeConto felt called to shine the light of truth into the world His job as a journalist and his young marriage though would radically change him First he learned that Christians have no corner on truth Working out in the world trying to be the Roaring Lamb he d been trained to be he met atheists and agnostics who seemed to do better at embodying Christian love than many Christians did Confessing the church s failures was one thing but the author had to face his own weakness the hard way when the cheap threads that held his marriage intact finally snapped Jesse found himself at the end of his twenties with a broken bank account a broken body and a broken family In the midst of that pain he discovered his brokenness better equipped him to share God s grace than his striving ever had He learned to say with theologian Karl Barth that his importance may consist in his poverty in his hopes and fears in his waiting and hurrying in the direction of his whole being toward what lies beyond his horizon and beyond his power
