Rousseau and romanticism Irving Babbitt,1919 **Blue Love** MJ Fields,2021-10-28 The Blue Valley series is not your typical love story It is a journey through one s past maybe even a story resembling someone close to you It s our story He s the boy you hate to love and love to hate Lucas the star quarterback seems to have it all super star athletic abilities expensive clothes cars and women who will stop at nothing to be his if only for a night Tessa is a young woman who lives her life always doing what is right She tries desperately to hold herself accountable to the demanding expectations of her family and everyone around her while remaining virtuous However when two worlds collide sparks fly and ignite in a fiery passion that neither Lucas nor especially Tessa are ready for A troubled home life is exposed Past flings fight for attention Exes wreak havoc And the odds continue to stack up against them Will the fire and passion of first love win or will it destroy them Warning Highly Emotional This book contains volatile characters in real life situations that may be triggers to some readers PLEASE NOTE this series was previously released as The Love series MJ s very first works and has been through a complete rewrite which consists of a change from narrative to first person dual POV and forty thousand words worth of new content
