**Lovers** Susanna Centlivre, 2022-08-16 In Susanna Centlivre's comedic play The Perplex'd Lovers the intricate web of love misunderstanding and societal expectations is deftly unraveled through sharp dialogue and clever plot twists Written in the early 18th century this play encapsulates the nuances of Restoration comedy showcasing wit that challenges both class structure and gender norms Centlivre employs a lively mix of verbal sparring and situational irony demonstrating her profound understanding of human folly while simultaneously critiquing the rigid social conventions of her time particularly concerning marriage and courtship Centlivre one of the most successful female playwrights of her era was deeply influenced by her experiences in a male dominated literary landscape Her own life as a writer often marginalized in a society that undervalued women's contributions infused her characters with a spirit of independence and complexity rarely found in works by her contemporaries Having faced numerous personal trials and triumphs Centlivre's portrayal of spirited heroines and their perplexities reflects a keen insight into the struggles women faced during the 1700s This work is essential reading for anyone interested in early modern literature and feminist narratives Centlivre's masterful blend of humor and critique not only entertains but invites reflection on enduring themes of love and societal constraints The Perplex'd Lovers stands as a delightful testament to her literary prowess and a valuable addition to the canon of English theatre Love's Invention, or, the Recreation in vogue; a new ballad ... To which is added, A Cure for Cuckoldom, or, the Miseries of matrimony LOVE., 1746

**Reading Lacan's Seminar VIII** Gautam Basu Thakur, Jonathan Dickstein, 2020-03-23 This book provides 18 lively commentaries on Lacan's Seminar VIII Transference 1960-61 that explore its theoretical and philosophical consequences in the clinic, the classroom and society Including contributions from clinicians as well as scholars working in philosophy, literature and culture studies, the commentaries presented here represent a wide range of disciplinary perspectives on the concept of transference Some chapters closely follow the structure of the seminar's sessions while others take up thematic concerns or related sessions such as the commentary on sessions 19 to 22 which deal with Lacan's discussion of Claudel's *Co fontaine* trilogy This book is not a compendium to Lacan's seminar Instead it attempts to capture through shorter contributions a spectrum of voices debating, deliberating and learning with Lacan's concept In doing so it can be seen to engage with transference conceptually in a manner that matches the spirit of Lacan's seminar itself The book will provide an invaluable new resource for Lacan scholars working across the fields of psychoanalytic theory, clinical psychology, philosophy and cultural studies

**Shakespeare and Faulkner** Karl F. Zender, 2021-06-02 Shakespeare and Faulkner explores the moral and ethical dilemmas that characters face inside themselves and in their interactions with others in the works of these two famed authors Karl F Zender's characterological study offers insightful, critically rigorous and at times quite personal analyses of the complicated figures who inhabit several major Shakespeare plays and Faulkner novels The two parts of this book, the first of which focuses on the English playwright, the second on the Mississippi novelist, share a common methodology in that they originate in Zender's history as a teacher of and writer on the two authors who until now he generally approached separately He emphasizes the evolving insights gleaned from reading these authors over several decades, situating their texts in relation to shifting trends in criticism and highlighting the contemporary relevance of their works The final chapter, an extended discussion of Faulkner's *Intruder in the Dust*, attempts something unusual in Zender's critical practice It relies less on the close textual analysis that characterizes his previous work and instead explores the intersections between events depicted in the novel and his own life, both as a child and as an adult Shakespeare and Faulkner speaks to the power of literature as a form of pleasure and of solace With this work of engaged and thoughtful scholarly criticism, Zender reveals the centrality of storytelling to human beings' efforts to make sense both of their journey through life and of the circumstances in which they live
