Married Love Marie Carmichael Stopes,2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become *Married Love* grew from Marie Stopes s conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women s sexuality and sexual desire as well as openly supporting birth control In this edition of Stopes s ground breaking work Ross McKibbin s introduction reveals fascinating insights into Stopes and prevailing attitudes to class religion science and above all sex

Loving God'S Way Klaas H Baloyi,2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it Society has socialized people into believing love as something they do not have control over Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into As the phrase falling in love connotes people have taken it for what it sounds on face value than an expressive phrase it actually is Love cannot be a feeling but a choice It is a conscious decision that one takes at a particular point This book therefore seeks to demystify how love is not a feeling but a decision Yes True love does exist For one to experience it it is important to understand its essence and how it unfolds Gods philosophy of love provides a basis from which to understand and experience the beauty of love That love which regards not of its own but of the other Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner Engaging in a love relationship however can set you on a path that determines whether you will experience heaven or hell on earth Choosing right is therefore vital
