The War Lovers Evan Thomas, 2010-04-27 On February 15 1898 the American ship USS Maine mysteriously exploded in the Havana Harbor News of the blast quickly reached U S shores where it was met by some not with alarm but great enthusiasm A powerful group of war lovers agitated that the United States exert its muscle across the seas Theodore Roosevelt and Henry Cabot Lodge were influential politicians dismayed by the closing of the Western frontier William Randolph Hearst's New York Journal falsely heralded that Spain's secret infernal machine had destroyed the battleship as Hearst himself saw great potential in whipping Americans into a frenzy The Maine would provide the excuse they'd been waiting for On the other side were Roosevelt's former teacher philosopher William James and his friend and political ally Thomas Reed the powerful Speaker of the House Both foresaw a disaster At stake was not only sending troops to Cuba and the Philippines Spain's sprawling colony on the other side of the world but the friendships between these men Now bestselling historian Evan Thomas brings us the full story of this monumental turning point in American history Epic in scope and revelatory in detail The War Lovers takes us from Boston mansions to the halls of Congress to the beaches of Cuba and the jungles of the Philippines It is landmark work with an unforgettable cast of characters and provocative relevance to today

funeral He went the next day when he could stay peacefully goodbye to his wartime love The war in Croatia ended right when this deeply moving love story did The war had brought them together but it also ripped them apart *Poems About Love, War and Just for Fun* Jack DiNola,2011-12-01 Vietnam Gray lead and shiny yellow brass Pushing death From a stainless steel gun That's not made of flesh Its integral parts lubricated By oil and grease To withstand the heat and humidity But what is there to erase The red stain On white cloth that covers The pain On a moving part of anatomy Or the look on a human face

Farewell to the Muse: Love, War and the Women of Surrealism Whitney Chadwick,2017-11-14 A fascinating examination of the ambitions and friendships of a talented group of midcentury women artists Farewell to the Muse documents what it meant to be young ambitious and female in the context of an avant garde movement defined by celebrated men whose backgrounds were often quite different from those of their younger lovers and companions Focusing on the 1930s 1940s and 1950s Whitney Chadwick charts five female friendships among the Surrealists to show how Surrealism female friendship and the experiences of war loss and trauma shaped individual women's transitions from someone else's muse to mature artists in their own right Her vivid account includes the fascinating story of Claude Cahun and Suzanne Malherbe in occupied Jersey as well as the experiences of Lee Miller and Valentine Penrose at the front line Chadwick draws on personal correspondence between women including the extraordinary letters between Leonora Carrington and Leonor Fini during the months following the arrest and imprisonment of Carrington's lover Max Ernst and the letter Frida Kahlo shared with her friend and lover Jacqueline Lamba years after it was written in the late 1930s This history brings a new perspective to the political context of Surrealism as well as fresh insights on the vital importance of female friendship to its progress Reflections of Fall: A Story of Love, War, and Faith Ray "Tony" Miranda,2017-07-13 Although World War II has been over for some time Sam Mcguire is still struggling with his memories of the brutalities of battle Despite his pain Sam is attempting to move forward in life But that task is more challenging than he ever imagined as demons of the past continue to haunt him As Sam finally gains the strength and insight to emerge from the darkness he returns home to Indiana where he continues healing with help from family God and friends After he marries his love Sam builds a new life for himself made complete with the birth of his children As his son Sammy grows into a rebellious and headstrong young man he too eventually makes his way to war this time in Vietnam Now he must find a way to survive in his own way in his own time just as his father did Reflections of Fall follows the paths of father and son as each is led from war back home where faith family and love strengthen their spirits to overcome pain and obstacles *Kaguya-sama: Love Is War, Vol. 22* Aka Akasaka,2022-04-05 Will Miko's budding closeness with Miyuki make other interested parties jealous Then entertaining a cat in the student council chambers leads to awkward complications As the war between the Shinomiyas and the Shijos heats up Kaguya's new assistant and Mikado both fall under suspicion And then Kaguya and Miyuki spend the night together alone How do you know when you're ready VIZ Media Lovers of War Richard Rolfe,1988 **Love & War**,1997 This extensive collection of wartime love letters features

examples from each of this country's major conflicts Revealing the universal agony of war and the resiliency of the human spirit more than 505 original letters are reproduced along with period photographs of some subjects biographical background and historical context **France, 1500-1715** Alastair Armstrong, 2003 Heinemann Advanced History offers a differentiation strategy with books covering AS and A2 Exam preparation includes practice questions advice on what makes a good answer and help for students on interpreting questions and planning essays **Papers for War Time: Leonard, G.H. Love came down at Christmas**, 1914 *Love, War, and Adventure* Henry Harkness, 1846 War and Existence Michael Gelven, 2005-07-26 War is a multifaceted and complex phenomenon that cannot be understood merely by isolating its underlying principles The elements that compose the vast mosaic of our conceptions of war must be identified and examined in light of their philosophical origins Michael Gelven not only identifies what the fundamental principles are but he also extracts from the history of philosophy the arguments and analyses of the concepts that explain how we think about it War and Existence is primarily concerned with what war is or what the truth about war is rather than the moral question of whether war ever ought to be waged it only indirectly considers the military concerns of how war out to be carried out The elements or marks of war such as courage horror heroism sacrifice command and vastness are each examined by reference to a great philosophical figure whose critical analyses of these elements provide us with a deep understanding of them Gelven does not restrict his inquiry to mere formal concerns since the philosophical marks of war are concretized in judgments about actual wars His holistic approach includes not only actual historical events that surround our greatest military conflicts but also literary figures poets and composers whose works wrestle with the enormity of this splendid yet troubling phenomenon The two phenomena war and peace are viewed against the entire background of humanity with all its folly and sublimity War and Existence thus offers a thoughtful coherent response to one of the most problematic issues of humanity
