## **Loves Madness:**

**Love's Madness** Helen Small, 1996 *Love's Madness* is an important new contribution to the interdisciplinary study of insanity. Focusing on the figure of the love mad woman, it presents a significant reassessment of the ways in which British medical writers and novelists of the nineteenth century thought about madness, femininity and narrative convention. The book centers around studies of novels by Jane Austen, Sir Walter Scott, Charlotte Brontë, Wilkie Collins and Charles Dickens as well as of previously neglected writings by Charles Maturin, Lady Caroline Lamb and Edward Bulwer Lytton among others.

**Madness, Love and Tragedy in Nineteenth and Twentieth Century Spain** Marta Manrique Gomez, 2014-01-16 How do Spanish writers of the 19th and 20th century define and represent madness, a basic and controversial aspect of world culture and how do the different conceptions of madness intersect with love, religion, politics and other literary themes in Spanish society? This multi-author book analyzes the theme of madness in formative masterpieces of Spanish literature of the 19th and 20th century through the use of relevant critical and theoretical approaches. In this context, authors studied in this book include Juan Valera, Leopoldo Alas 'Clarín', Emilia Pardo Bazán, Caterina Albert, Benito Pérez Galdós, Miguel de Unamuno and Juan Goytisolo among others.

**Divine Madness** John R. Haule, 2010-03 *Divine Madness: Archetypes of Romantic Love* examines the transforming experience of romantic love in literature, myth, religion and everyday life. A series of psychological meditations on the nature of romantic love and human relationship, *Divine Madness* takes the perspective that human love is a species of divine love and that our experience of romantic love both conceals and reveals the ultimate Lover and Beloved. John Haule draws on depth psychology, the mystical traditions of the world and literature from Virgil to Milan Kundera to lead the reader inside the mind and heart of the lover. Each chapter explores a characteristic aspect of relationship, such as seduction and love play, the rapture of union, the agony of separation, madness, woundedness and transcendence. Focusing on the soulful and spiritual meaning of these experiences, *Divine Madness* sheds light on our relations, obsessions and broken hearts, but it also reconnects us with the wisdom of time immemorial. As a practicing Jungian analyst and former professor of religious studies, John Haule masterfully guides his readers through the labyrinth of everyday experience and the often hidden layers of archetypal realities, sketching a philosophy of romantic love through the stories of the world's literature and mythology.

**Madness in Seventeenth-Century Autobiography** K. Hodgkin, 2006-11-28 What did it mean to be mad in seventeenth-century England? This book uses vivid autobiographical accounts of mental disorder to explore the ways madness was identified and experienced from the inside, asking how certain people came to be defined as insane and what we can learn from the accounts they wrote.

**The Function of Sublime Rhetoric in Hebrews** Christopher T. Holmes, 2018-06-22 Back cover: In this study, Christopher T. Holmes offers an analysis of Hebrews 12:18-29 and its role in the larger argument of Hebrews. It argues that the first-century treatise *De Sublimitate* provides a significant context for interpreting the rhetoric and style of Hebrews and sheds new light on the thought and genre of Hebrews. *Laylī and Majnūn* Ali Asghar

Seyed-Gohrab,2021-07-19 This book is the first comprehensive analysis of Nez m s romance Layl and Majn n 1188 It examines key themes such as chastity constancy and suffering through an analysis of the main characters Majn n s asceticism kingship love madness poetic genius ill fate and love death are treated in separate chapters The patriarchal society in which Layl lives her anxieties and dilemmas incarceration secret love imposed marriage and finally her death are discussed in detail One chapter is devoted entirely to the different ways parents raise their children and the consequences Finally the book gives an analysis of Nez m s style the narrative structure of the romance and the symbolism of time and setting

**Wearable Objects and Curative Things** Dawn Woolley,Fiona Johnstone,Ellen Sampson,Paula

Chambers,2023-11-28 This book explores the intersections between wearable objects and human health with particular emphasis on how artists and designers are creatively responding to and rethinking these relations Addressing a rich range of wearable artefacts from mobility aids and prosthetics to clothing and accessories to digital health tracking devices its themes include care and cure wellness culture and the commoditization of health and the complex interactions between human bodies and non human objects With a theoretical framework inspired by the work of materialist thinkers including Sherry Turkle Bruno Latour and Jane Bennett and bringing the disciplinary fields of fashion studies art and design practice and medical and health humanities into dialogue for the first time this volume draws attention to the complex agencies entangled in the things we wear and situates fashion and art in relation to broader cultural and historical contexts of health illness and disability

**Not Quite Hope and Other Political Emotions in the Gilded Age** Nathan Wolff,2019 Not Quite Hope and Other Political Emotions in the Gilded Age argues that late nineteenth century US fiction grapples with and helps to conceptualize the disagreeable feelings that are both a threat to citizens agency and an inescapable part of the emotional life of democracy then as now In detailing the corruption and venality for which the period remains known authors including Mark Twain Harriet Beecher Stowe Henry Adams and Helen Hunt Jackson evoked the depressing inefficacy of reform the lunatic passions of the mob and the revolting appetites of lobbyists and office seekers Readers and critics of these Washington novels historical romances and satiric romans a clef have denounced these books fiercely negative tone seeing it as a sign of cynicism and elitism Not Quite Hope argues in contrast that their distrust of politics is coupled with an intense investment in it not quite apathy but not quite hope Chapters examine both common and idiosyncratic forms of political emotion including crazy love disgust cynicism election fatigue and the myriad feelings of hatred and suspicion provoked by the figure of the hypocrite In so doing the book corrects critics too narrow focus on sympathy as the American novel s model political emotion We think of reform novels as fostering feeling for fellow citizens or for specific causes This volume argues that Gilded Age fiction refocuses attention on the unstable emotions that continue to shape our relation to politics as such

*Love Itself* Hélène Cixous,2008-08-11 Love s memories love recalling itself in letters lost and found over an interval of forty years Cixous s writer narrator advances here far into a labyrinth of passions long ago delivered and yet still arriving

through the mail through letters and literature in other words the poetry of the post As for the lovers returning scenes they have their addresses in Paris rue Olivier de Serres Avenue de Choisy street names that endlessly feed love s unconscious language and in New York but also in a lost oasis of the Egyptian desert during the Napoleonic wars in Athens and along the shores of a great lake centuries ago in the country of myth The lovers are poets or soldiers philosophers or students madly in love with poetry and poets They are as well mermaids or panthers Panthers Yes for it is the passion of the animal that drives all these lovers to bare themselves and sometimes their claws before the beloved Misunderstandings are often even inevitably the result Seconded and witnessed by her passionate truth telling cats Cixous s narrator writer returns unerringly to moments of errancy inflicted on address and language those errors and faults when love perhaps is listening only to itself without subject or object lover or beloved just love itself l amour m me l amour m aime love loving me in the letter box of memory

**Bioethics and Biolaw through Literature** Daniela Carpi,2011-10-27 In recent years the well established field of human anthropology has been put under scrutiny by the new data offered by science and technology Scientific intervention into human life through organ transplants euthanasia genetic engineering experiments connected to the genetic code and the genome and varied other biotechnologies have placed ethical beliefs into question and created ethical dilemmas These scientific inventions influence our views on birth and death on the construction of the body and its technical reproducibility and have problematized the concept of the human persona The purpose of bioethics the science of life is to find new values and norms which will be valid for a multicultural society Bioethics is today a well respected topic of research that has brought together philosophers and experts to discuss the limits of science and medicine The aim of this book is to merge the two fields of bioethics and law or biolaw through the literary text by taking into consideration the transformations of the concept of persona at which we have nowadays arrived The new meaning of the term persona represents in fact the final point of a long standing quest for man s sense of his own being and human dignity and of his capacity to live in social interrelations The volume presents a wide range of perspectives comprising methodological approaches legal and literary aspects

honest emotions of loss the second celebrates the rejuvenation of finding new love The final section dedicated to Valentine's Week offers a special touch with paired poems expressing love's joy and renewal

Early Modern Women's Writing and Sor Juana Inés de la Cruz Stephanie Merrim, 1999 This book maps the field of seventeenth century women's writing in Spanish, English, and French and situates the work of Sor Juana more clearly within that field. It holds up the multi-layered proto-feminist writings of Sor Juana as a meaningful lens through which to focus the literary production of her female contemporaries. Merrim's book advances the integration of Hispanic women authors and women's issues into the panorama of early modern women's writing and opens up unexplored commonalities between Sor Juana and her sister writers. Early modern women writers whose works are explored include Marie de Gournay, Margaret Fell Fox, Catalina de Erauso, Maria de Zayas, Ana Caro, Mme de Lafayette, Anne Bradstreet, St. Teresa, and Margaret Lucas Cavendish. Merrim's study provides a full-bodied picture of the resources that the cultural and historical climates of the seventeenth century placed at the disposal of women writers, the manners in which women writers instrumentalized them, the building blocks and concerns of early modern women's writing, and the continuities between early modern and modern women's writing. Written in an engaging, clear manner, this innovative study will be of interest not only to Hispanists but also to scholars in early modern studies, women's studies, history, and comparative literature.
