Marianne Williamson,2013-12-17 Three of Marianne Williamson s previous bestsellers A Return to Love A Woman s Worth and Illuminata explored the issue of relationships Now in this deeply personal collection of essays

prayers and self reflection she turns to romantic love In *Illuminata* Williamson wrote that we experience God to the extent to which we love forgive and focus on the good in others and ourselves Now in *Enchanted Love* she writes that enchanted partnership begins with the conscious understanding on the part of two people that the purpose of their relationship is not so much material as spiritual and the internal skills demanded by it are prodigious High romance she says is not about past or future It is not about practicality It is not about society or worldly routines It is an audacious ride to the center of what is at the heart of every person It is a bold and masterful inquiry into what two people really are and how we might become while still on earth the angels who reside within us
