Love Gifts Tanure Ojaide, 2013 Love Gifts is a love sequence the poetic rendering of the relationship between the minstrel and his muse over a long period The poet uses the relationship of the two personages to investigate the human condition hence the poems deal with dreams desires frustrations hopes contentment and seeking meaning in life The poetic canvas links the two figures to other relationships and happenings of their time in an all embracing manner In a way minstrel and muse lovers are in these songs sharing a unique relationship with readers as they affirm their humanity and tell the complicated passage they navigate hourly and daily as members of a

particular society The relationship develops from the inexperience of neophytes unsteady in their ways to the stage of adepts who are sure of themselves and their rites The poems are thus a sort of courtship sequence <u>Littell's Living Age</u> Eliakim My True Love's Gifts David Samford, 2017-07-31 If you have ever found the Christmas Littell, Robert S.
