Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **Works of Love** Søren Kierkegaard, 2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early Either/Or through The Diary of the Seducer and Judge William's eulogy on married love to his last work on the changelessness of God's love. Works of Love, the midpoint in the series, is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love. Love as feeling and mood is distinguished from works of love, love of the lovable from love of the unlovely, preferential love from love as the royal law, love as mutual egotism from triangular love and erotic love from self-giving love. This work is marked by Kierkegaard's Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action. Written to be read aloud, the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding. Works of Love not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings.

Love, Please. Tahera Douglas, 2013-06-25 Love Please is a book with a combination of poems about love, loss, and recovery. TAHERA DOUGLAS is a 21-year-old Psychology student currently residing in London. She has been writing since she was 12 years old, a socially shy person; her voice is portrayed in her poetry. When writing, Tahera views the blank page as a stage upon which she tells a story, carefully deciphering the image that is created in her mind and delivering a monologue through ink dipped in emotion, love, and pain. Taking inspiration from everything and everyone in life, Tahera never fails to deliver in her extraordinary writing and touch people with her graceful rhymes. Love Please is the first book she has published and hopes to publish many more in the future.

IDIOT LOVE and the Elements of Intimacy David Stromberg, 2020-05-05 This book turns our search for intimacy on its head, suggesting that our way to creativity in love may be through idiocy. The book takes its readers on a journey through the work of Plato and Melanie Klein in theorizing the dynamics of intimacy while exploring some of the paradoxical aspects of love in works by Fyodor Dostoevsky and French filmmaker Catherine Breillat. Revisiting core concepts of how we think about relationships, the book lays out a model for relational breakdown: the idiot love cycle in which we are constantly in the flux between seeing ourselves and seeing the other. Effecting close readings of literary, philosophical, and psychoanalytical sources, the book draws on parallels between these fields of inquiry while tracing their shared intellectual genealogy, suggesting that the tension between Narcissus and Cassandra, with its inherent conflicts, is also the space through which love emerges from intimacy.

Love Analyzed Roger Lamb, 2018-02-20 Philosophers have turned their attention in recent years to many previously unmined topics among them love and friendship. In this collection of new essays in philosophical and moral psychology, philosophers turn their analytic tools to a topic perhaps most resistant to reasoned analysis: erotic love. Also included is one previously published paper by Martha Nussbaum. Among the problems discussed are the role that qualities of the beloved play in love, the so-called union theory of love, intentionality, and autonomy.

and poetry The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines and that this interconnection enables a unique and insightful exploration of the question of love TM s possibility Thus the question is explored from diverse view points and also from different time frames convergences and divergences are noted and discussed and conclusions are drawn from the ensuing findings The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge wisdom and truth Thus it is a uniquely honest exploration of human nature in contemporary times Faith under Fire: Vanities, Fantasies, Mutiny and Psychedelic Entrapments Riaan Engelbrech, 2023-01-20 Written in these pages is not doctrine or dogma It is neither intended as an in depth history nor a philosophical lesson This is but a burning cry for the true Bride to awaken from her slumber to reflect on times gone past and to consider her foundations We need to wake up for today s new brand of Christianity is a different gospel and is targeting thousands of the younger generation with a so called hip cool experiential spirituality much of which is embracing a form of mysticism and ecumenical philosophy of uniting people from all faiths to work together and bring about a new world of peace and harmony
