Loves Destiny:

Love's Spirit Elizabeth Meyette, 2013-04-22 Emily Brentwood's ultimatum to return to England led to her husband's capture by British troops but she learns he has escaped and is still alive. She is overjoyed to be unexpectedly reunited with her husband but Emily is appalled by Jonathon's injuries at the hands of the British and she blames herself for his imprisonment and torture. Separated again when he is forced into hiding, Emily clings to his promise to be with her for the birth of their baby. Boldly she confronts the British officer who attempted to rape her and she defies the woman who wants her dead. Still suffering from his wounds, Jonathon risks his life to reunite with Emily but their time together is cut short by threats from the British and the scandalous demands of his former lover. Jonathon's physical pain pales in comparison to the torment he feels when he betrays Emily. Standing in the way of their happiness is a British officer with a personal vendetta and a woman whose vicious intentions threaten Emily's life. Torn between anguish over his betrayal of Emily and his need to ensure her safety, Jonathon risks recapture and certain death when he returns to Brentwood Manor knowing that British soldiers scour the countryside for him. Both Jonathon and Emily must overcome their guilt and trust that love's spirit will triumph over the obstacles that threaten to keep them apart. Swirling around them is a war in which a new country is born from a demand for liberty and a new love is sparked in the midst of rebellion. Sensuality Level Sensual **Love's**

Love Rebecca Joubin,2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we

can see the emerging definition of the true qabaday as one who does not suppress a woman's sexuality thereby allowing for full equality in relationships as the basis of a truly free society *Love from a Broken Fire Escape* Richard D. Jr.

Kydd, Richard Kydd, Jr., 2007-11 In this collection of love poems Kydd has once again captured the essential duality of the human heart and of existence itself The poems range from a celebration of love at first sight and the physical ecstasy of two lovers entwined as one to the despair of having lost love for reasons beyond control or understanding As usual with Kydd's work there is a strong spiritual element with the soul seeking its ultimate fulfillment He presents the union between lovers the mingling of two souls into one as this fulfillment But when love is lost suffering is intense and Kydd also shows this unsparingly Kydd wouldn't be himself without a healthy streak of cynicism and reality In the poem ASK NOT he says simply Never ask Do you love me if you do they don't And although his final poem The Breath of Love is basically positive and romantic a few pages previous when describing his first kiss in COW POKE he can't resist saying No sweeter memory in mind and heart could I fathom to this day Yet in spite of the heightened passion of the moment a thought lingered in my mind ever afterward as sweet as her lips felt that wonderful day of my youth her breath smelled and tasted like sour milk *Catalog of*
