Loves Of The Orient:

Loves of the Orient Giovanni CAMISSO,1965 **Love and Poetry in the Middle East** Atef Alshaer,2021-12-30 Love has been an important trope in the literature of the region we now call the Middle East from ancient times to modern This book analyses love poetry in various ancient and contemporary languages of the Middle East including Akkadian ancient Egyptian Classical and Modern Standard Arabic Persian Hebrew Turkish and Kurdish including literary materials that have been discovered and highlighted for the first time Together the chapters reflect and explore the discursive evolution of the theme of love and the sensibilities styles and techniques used to convey it They chart the way in which poems in ancient poetry give way to complex and varied reflections of human sentiments in the medieval languages and on to the modern period which in turn reflects the complexities and nuances of present times Offering a snapshot of the diverse literary languages and their relationship to the theme of love the book will be of interest to scholars of Near and Middle Eastern Literature and Culture *Proceedings, American Philosophical Society (vol. 97, no. 1)* , *The New Orient* ,1924

Love's Wounds Cynthia N. Nazarian,2017-01-10 Love s Wounds takes an in depth look at the widespread language of violence and abjection in early modern European love poetry Beginning in fourteenth century Italy this book shows how Petrarch established a pattern of inequality between suffering poet and exalted Beloved rooted in political parrh sia Sixteenth and early seventeenth century French and English poets reshaped his model into an idiom of extravagant brutality coded to their own historical circumstances Cynthia N Nazarian argues that these poets exaggerated the posture of the downtrodden lover adapting the rhetoric of powerless desire to forge a new countersovereignty from within the heart of vulnerability a potentially revolutionary position through which to challenge cultural religious and political authority Creating a secular equivalent to the martyr early modern sonneteers crafted a voice that was both critical and unstoppable because it suffered Love s Wounds tracks the development of the countersovereign voice from Francesco Petrarca to Maurice Sc ve Joachim du Bellay Th odore Agrippa d Aubign Edmund Spenser and William Shakespeare Through interdisciplinary and transnational analyses Nazarian reads early modern sonnets as sites of contestation and collaboration and rewrites the relationship between early modern literary forms *The Works of Beaumont & Fletcher: Beggars' bush. Love's cure. The maid in the mill. A wife for a month. Rule a wife and have a wife* Francis Beaumont,1845 *Our Poetical Favorites* Asahel Clark Kendrick,1874 *Paradisal Love* John D. Baildam,1999-01-01 This is the first comprehensive study of Herder s preoccupation with the Song of Songs Baildam considers the importance of this poetry in his thinking and examines his commentaries and translations of 1776 and 1778 Despite Herder s claims to the contrary his own cultural position is revealed in his translations and in his unique interpretation of the work as the voice of pure paradisal love Starting with Herder s interest in the Song of Songs between 1765 and 1778 this book sets his reflections in the wider context of his relativistic views on the nature of poetry contemporary German culture and the importance of primitive poetry in general and the poetry

of the Bible in particular Then Baildam looks at current literary critical theories with implications for Herder s translations of these Lieder der Liebe and discusses Herder s theories of language and translation in comparison with German translation theories Herder s reading of the Song as the most primitive natural and sublime example of Hebrew poetry is placed in the context of earlier and contemporary interpretations his opinion of which is examined In the last part of the book there is an appraisal first of Herder s commentaries themselves analysing how the details reflect his overall concept of the work and then of his translations comparing them with each other with the Lutheran text to which Herder ultimately directed his readership and with the Hebrew text A concluding chapter reviews the reception of Herder s work and three appendices offer a parallel presentation of Herder s translations of 1776 and 1778 Luther s translation of 1545 and Goethe s translation of 1775

Just Love Margaret Farley,2008-02-15 Winner of the 2008 Grawemeyer Award in Religion This long awaited book by one of American Christianity s foremost ethicists proposes a framework for sexual ethics whereby justice is the criterion for all loving including love that is related to sexual activity and relationships It begins with historical and cross cultural explorations then addresses the large questions of embodiment gender and sexuality and finally delineates the justice framework for sexual ethics Though *Just Love* s particular focus is Christian sexual ethics Farley s framework is broad enough to have relevance for multiple traditions Also covered are specific issues in sexual ethics including same sex relationships marriage and family divorce and second marriage

Racist Love Leslie Bow,2021-12-13 In *Racist Love* Leslie Bow traces the ways in which Asian Americans become objects of anxiety and desire Conceptualizing these feelings as racist love she explores how race is abstracted and then projected onto Asianized objects Bow shows how anthropomorphic objects and images such as cartoon animals in children s books home decor and cute tchotchkes contemporary visual art and artificially intelligent robots function as repositories of seemingly positive feelings and attachment to Asianness At the same time Bow demonstrates that these Asianized proxies reveal how fetishistic attraction and pleasure serve as a source of anti Asian bias and violence By outlining how attraction to popular representations of Asianness cloaks racial resentment and fears of globalization Bow provides a new means of understanding the ambivalence surrounding Asians in the United States while offering a theory of the psychological affective and symbolic dynamics of racist love in contemporary America

Love's Touch Anit Arca,2022-04-10 Is the world an illusion Is our Universe a hologram This is a magical world All there Is is you you are the magnificent reflection of All That Is in the world of Existence and three dimensions Let us wake up from this illusion We have to realize we will leave this body one day we have to realize all of our possessions will be left behind as we depart for our next new adventure This is not a book of divine informative revelation These words do not come from heaven These writings knowledge arose in the Heart through Universal Intuition and were written from Oneself to oneself without the interference of the author s personal thoughts ego What you call I is your identity Bonding yourself with your identity creates the I am ego personality This identity of yours is not actually you it is an illusory state of what you are not In

Reality you are not your ego identity The external world and its social parameters play a big role in forming this ego identity You do not own anything no name no form or any image that you can call I You have not constructed or created these You do not own anything you think you can control or possess When you identify yourself with these things the things that you are not or do not own you are creating a self imposed prison for yourself and living inside of it In other words you create your ego personality In this case we have to ask the following question who am I Really Are you really all that you claim to own names forms and images Are you only made up of body and mind When you identify with these beliefs and those of the collective world consciousness you get lost and break away from your true Reality When you claim ownership of these names forms and images you create your ego personality Whenever you say I am this or that you are identifying with that thing which you now claim as your own and you unify yourself with that thing If you do not identify with anything if you do not claim ownership of anything the I ceases to exist Removing the I dissolving it is the ultimate freedom we seek The walls of the self imposed prison of ego personality you possessively created will fall away Here in this liberated state of being the necessity for choice or decision falls away too You act just as is needed in each moment of life as it arises in the Now Thoughts of should I have done this or that will disappear The mind is like software running on a computer The virus that corrupts the software is the ego It is this ego personality that creates erroneous beliefs and then claims ownership of them Only when this virus is removed by an antivirus program Mind reveals itself in its full capacity With this cleaning up process human minds become increasingly liberated and expansively intelligent In this Book knowledge of advanced life is being released into the public publishing domain for the first time This life can be described with concepts of Absolute Human Birth of Absolute Humanity Experiencing Non Existence and Beyond Non Existence We believe through our life experience that the only way to change our individual and collective point of view is to know NON EXISTENCE The will behind the writing and publishing of this knowledge in the Book arose in servitude *Love's Labour's Lost* William Shakespeare,1906 *The Colorado School Journal* Aaron Gove,Dorus Reuben Hatch,Harry McWhirter Barrett,Nathan B. Coy,Henry Burnside Smith,William Barnard Mooney,1928 Courtly Love Undressed E. Jane Burns,2014-07-09 Clothing was used in the Middle Ages to mark religious military and chivalric orders lepers and prostitutes The ostentatious display of luxury dress more specifically served as a means of self definition for members of the ruling elite and the courtly lovers among them In *Courtly Love Undressed* E Jane Burns unfolds the rich display of costly garments worn by amorous partners in literary texts and other cultural documents in the French High Middle Ages Burns reads through clothes in lyric romance and didactic literary works vernacular sermons and sumptuary laws to show how courtly attire is used to negotiate desire sexuality and symbolic space as well as social class Reading through clothes reveals that the expression of female desire so often effaced in courtly lyric and romance can be registered in the poetic deployment of fabric and adornment and that gender is often configured along a sartorial continuum rather than in terms of naturally derived categories of woman and man The symbolic

identification of the court itself as a hybrid crossing place between Europe and the East also emerges through Burns's reading of literary allusions to the trade travel and pilgrimage that brought luxury cloth to France

The Johannine Renaissance in Early Modern English

Literature and Theology Paul Cefalu, 2017-11-03 The Johannine Renaissance in Early Modern English Literature and Theology argues that the Fourth Gospel and First Epistle of Saint John the Evangelist were so influential during the early

modern period in England as to share with Pauline theology pride of place as leading apostolic texts on matters Christological sacramental pneumatological and political The book argues further that in several instances Johannine theology is more central than both Pauline theology and the Synoptic theology of Matthew Mark and Luke particularly with regard to early modern polemicizing on the Trinity distinctions between agape and eros and the ideologies of radical dissent especially the seventeenth century antinomian challenge of free grace to traditional Puritan Pietism In particular early modern religious poetry including works by Robert Southwell George Herbert John Donne Richard Crashaw Thomas Traherne and Anna Trapnel embraces a distinctive form of Johannine devotion that emphasizes the divine rather than human nature of Christ the belief that salvation is achieved more through revelation than objective atonement and expiatory sin a realized eschatology a robust doctrine of assurance and comfort and a stylistic and rhetorical approach to representing these theological features that often emulates John s mode of discipleship misunderstanding and dramatic irony Early modern Johannine devotion assumes that religious lyrics often express a revelatory poetics that aims to clarify typically through the use of dramatic irony some of the deepest mysteries of the Fourth Gospel and First Epistle *The Orient's Diary* Simone Bica ,2020-12-18 Simone Bica Jornalista Escritora psicanalista E gastrônoma em forma o Mulher negra n o mu ulmana vivendo em um Continente permeado de conflito Como voc imagina esta cr nica Leia a obra e converse com autora em sua rede social almabeduina Livro Bil ngue Ingl s Portugu s *Love's orient* Edgar L.
