The

Supernatural Power of Forgiveness Jason Vallotton, 2011-06 God's plan has never been to help believers avoid pain. In fact, He uses difficult seasons and relationships to propel His children toward their destiny. The healing process from emotional and spiritual wounds is a journey that prepares Christians to live powerful lives fully trusting the God who has freed them from the past. Jason Vallotton thought his world was burning down around him when he found out that his wife Heather was having an affair and planned to leave him and their children. Using his own story as a poignant evocative illustration of God's grace and healing, Jason invites readers to reframe their understanding of redemption. With his dad Kris Vallotton, Jason shows believers how they can steward the hardest times and deepest pain in their lives and allow God to use them to lay a foundation for complete restoration and empowerment for the future. While it may be hard to see emotional wounds as gifts when they still hurt so deeply, those who read *The Supernatural Power of Forgiveness* will discover that God can not only heal their wounds but He can also use the process of healing to equip them for whole, fulfilled and powerful lives. *The*

Gardened Soul David White, 2025-07-29 Gardens have always been places where people sought meaning. From Eden to Gethsemane, from Versailles to Kew, from Powerscourt to Altamont, something of these places resonated with people's souls as they yearned to connect to more. Styles of gardens have changed down the millennia as have the lifestyles of those who created and gardened them, but what has remained constant has been the human desire for wholeness, holiness, and connection. As much as we have created and cultivated gardens, they have had their effects on us. In other words, our souls have been gardened. This book addresses how a receptive engagement with gardening as a spiritual practice can allow for the emergence of a sacred environment where emotions can lead the soul deeper into the experience of more, particularly into the development of other embodied spiritual practices. The two specific emotions examined are love and sadness, which are explored as they grow into the embodied practices of gratitude and everyday joy, respectively. The emotional experiences in the garden incite wonder, excitement, and connection, nurturing the soul and lead onward towards discerning what embodied spiritual practices may be needed for the journey ahead. Our souls are gardened. **The Vanished Queen** Lisbeth

Prince Esvar, the second son to an evil king, trapped under his thumb and desperate for a way out, a chance meeting with Anza gives him the opportunity to join the resistance.
