Loving Garbo Hugo Vickers, 1994 **Loving Garbo** Hugo Vickers, 1995-11-01 Loving Garbo Ramboro Books, 1997-06 That Furious Lesbian Robert A Schanke, 2016-09-06 In this first book length biography of Mercedes de Acosta theatre historian Robert A Schanke adroitly mines lost archival materials and mixes in his own interviews with de Acosta s intimates to correct established myths and at last construct an accurate detailed and vibrant portrait of the flamboyantly uninhibited early twentieth century author poet and playwright Born to wealthy Spanish immigrants Mercedes de Acosta 1893 1968 lived in opulence and traveled in the same social circles as the Astors and Vanderbilts Introduced to the New York theater scene at an early age her dual loves of performance and of women informed every aspect of her life thereafter Alice B Toklas s observation Say what you will about Mercedes she s had the most important women in the twentieth century was well justified as her romantic conquests included such internationally renowned beauties as Greta Garbo Marlene Dietrich Isadora Duncan and Eva Le Gallienne as well as Alla Nazimova Tamara Karsavina Pola Negri and Ona Munson More than a record of her personal life and infamous romances this account offers the first analysis of the complete oeuvre of de Acosta's literary works including three volumes of poetry two novels two film scripts and a dozen plays Although only two of her plays were ever published during her lifetime four of them were produced featuring such stage luminaries as John Gielgud Ralph Richardson and Eva Le Gallienne Critics praised her first volume of poetry Moods in 1919 and predicted her rise to literary fame but the love of other women that fueled her writing also limited her opportunities to fulfill this destiny Failing to achieve any lasting fame she died in relative poverty at the age of seventy five De Acosta lived her desires publicly with verve and vigor at a time when few others would dare and for that she paid the price of marginalized obscurity Until now With That Furious Lesbian Schanke at last establishes Mercedes de Acosta s rightful place as a pioneer and indeed a champion in the early struggle for lesbian rights in this country Robert A Schanke has edited a companion to this biography Women in Turmoil Six Plays by Mercedes de Acosta also available from Southern Illinois University Press **Greta Garbo** David Bret, 2012-06-25 In the male oriented studio system Greta Garbo wielded a power no other actress has ever possessed before or since Be it producer director lover or journalist Garbo called the shots and when she decided that she was done with the whirlwind of life as Hollywood's darling she withdrew completely leaving her public begging for an encore that never came Though there have been numerous biographies of Garbo this is the first to investigate fully the two so called missing periods in the life of this most enigmatic of Hollywood stars the first during the late 1920s forcing MGM to employ a lookalike to conceal what was almost certainly a pregnancy the second during World War II when Garbo was employed by British Intelligence to track down Nazi sympathisers It also analyses in detail the original uncensored copies of Garbo s films with the exception of The Divine Woman of which no complete print survives and offers substantial evidence that John Gilbert was not in fact the great love of her life Rather her true affections lay with the gay Sapphic and Scandinavian members of her

very intimate inner circle Using previously unsourced material along with anecdotes from friends and colleagues that have never before been published David Bret paints a rounded portrait of Garbo's childhood in Sweden her rise to stardom and her all too brief reign as gueen of MGM Hers is a truly remarkable story recounted here with warmth intensity and unique Encyclopedia of Lesbian and Gay Histories and Cultures Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking newapproach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Encyclopedia of Lesbian Histories and Cultures** Bonnie Zimmerman, 2013-08-21 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a wide range of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect

My Gender Workbook Kate Bornstein,2013-06-19 Gender isn t just about male or female anymore if you have any doubts just turn on your television RuPaul is as familiar as tomato ketchup with national radio and television shows and transgendered folk are as common to talk shows as screaming and yelling But if the popularization of gender bending is

revealing that male and female aren t enough where are we supposed to go from here Cultural theorists have written loads of smart but difficult to fathom texts on gender but none provide a hands on accessible guide to having your own unique gender With My Gender Workbook Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender Bornstein starts from the premise that there are not just two genders performed in today s world but countless genders lumped under the two gender framework Using a unique deceptively simple and always entertaining workbook format Bornstein gently but firmly guides you to discover your own unique gender identity Whether she s using the USFDA's food group triangle to explain gender or quoting one liners from real gender transgressors Bornstein's first and foremost concern is making information on gender bending truly accessible With guizzes and exercises that determine how much of a man or woman you are My Gender Workbook gives you the tools to reach whatever point you desire on the gender continuum Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference and puts books like Men are from Mars Women are from Venus squarely where they belong on Uranus If you don't think you are transgendered when you sit down to read this book you will be by the time you finish it McLellan, 2001-09-19 Diana McLellan reveals the complex and intimate connections that roiled behind the public personae of Greta Garbo Marlene Dietrich Tallulah Bankhead and the women who loved them Private correspondence long secret FBI files and troves of unpublished documents reveal a chain of lesbian affairs that moved from the theater world of New York through the heights of chic society to embed itself in the power structure of the movie business The Girls serves up a rich stew of film politics sexuality psychology and stardom Done into Dance Ann Daly, 2011-07-21 This cultural study of modern dance icon Isadora Duncan is the first to place her within the thought politics and art of her time Duncan's dancing earned her international fame and influenced generations of American girls and women yet the romantic myth that surrounds her has left some questions unanswered What did her audiences see on stage and how did they respond What dreams and fears of theirs did she play out Why in short was Duncan's dancing so compelling First published in 1995 and now back in print Done into Dance reveals Duncan enmeshed in social and cultural currents of her time the moralism of the Progressive Era the artistic radicalism of prewar Greenwich Village the xenophobia of the 1920s her association with feminism and her racial notion of Americanness Who's Who in Gay and Lesbian History Robert Aldrich, Garry Wotherspoon, 2020-10-07 Who s Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages
