Moroney,2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment

Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives

**God's Footprints in Personal Life, Family Life, and Ministry** Gide DA(c)mosthA"ne,2024-02-12 Following God's footsteps and the mystery of God's will in Christian life and walk can be a daunting task Multitudes of voices life choices and sociocultural options and challenges make it hard for one to perceive and understand clearly when God is truly speaking and what does His message entails Thus like Abraham it may require an absolute departure from the habitual way of life to a far out city country or region where God can start with us anew Also we must be willing to surrender our will to God's will and follow in His footstep wherever He may lead in daily life Now that requires self sacrifice and applied humility a practical death to self At times it's about listening to God's voice through a moral spiritual or ministerial decision Other times it's just about family life crises or it can be regarding political or social issues God's will happens when we commit to listen to His word and apply it to practical life effortlessly for His sake This author lived through it all and acknowledges that God's will is about following in His footsteps in every area of life however mysterious or difficult it may appear God's purpose for our lives journey is already set in heaven surrendering to His purpose will lead to a very content satisfying and joyful life regardless the challenges we experience throughout our lifetime This autobiography will challenge you to begin exploring God's footsteps in different facets of your own life and intentionally pursue His mysterious plan

**The God Family Vision** Gerald Flurry,Philadelphia Church of God,2013-10-17 Christ came to Earth to declare the Father the God Family He didn't come here to declare Himself as this world believes That deception is why this world doesn't understand God's plan for mankind They are in the dark And so are most of God's own people Here is the only message that will fill us with hope It is about bringing God's government and peace to the whole universe It is the true gospel that mankind has never understood In this booklet God Family Spokesman Hannah's Family Vision High Priest's Rebellious Sons Declaring the Father Where Is the God

of Judgment God's Covenant With Levi A Message Not Delivered Reviving the Elijah Work The Hope of the Gospel      **Do I Love God?** Rod Culbertson, 2017-08-31 Do I Love God The Question That Must Be Answered is written for the purpose of helping believers in Christ as well as those curious about God evaluate their relationship with God The most important priority and assurance in life is knowing God Because God is a trinity of persons Father Son and Holy Spirit who have loved one another in full and perfect relationship from eternity and is thus relational we who are made in his image can actually know him personally and walk in loving relationship with him God is not impersonal he is love Loving God is why we are created Using the three domains of the heart know feel do the reader is encouraged to take a personal look into what he believes about Christ how he loves others and how he seeks purity of life Assurance of a relationship with God is gained through proper doctrinal belief passionate spirituality and godly obedience These three tests of assurance are evidence that one loves God God is a God of grace Do I Love God will help the reader explore the depth of God's grace and his love

**Why Evil Rules—If God Is...** Anslie H. Abraham, 2011-04-13 In this book I have consciously deliberated on the predominant question of the problem of evil and with the help of the World Scriptures and with sound reasoning I have tried to solve this age old mystery We are in the New Millennium Currently many great social transformations are taking place in our world Most likely these changes will help us find the true path for self realization leading us all back to God Therefore I am sure this book would be of tremendous value to readers Generally process of regeneration is slow it may last the whole millennium nevertheless it is imminent The fact that the above said kingdom of God or peace on earth is the most desired objective of history is the evidence of its being not only non mythical but a realistic aspiration of God and man Jesus in the above Bible verse prompts us to recognize the seasons of our age
