blockbuster traveling exhibition Auschwitz the marketing of the Jewish history of Harbin China and the little known life of the righteous Gentile Varian Fry Throughout she challenges us to confront the reasons why there might be so much fascination with Jewish deaths and so little respect for Jewish lives unfolding in the present Horn draws upon her travels her research and also her own family life trying to explain Shakespeare s Shylock to a curious ten year old her anger when swastikas are drawn on desks in her children s school the profound perspective offered by traditional religious practice and study to assert the vitality complexity and depth of Jewish life against an antisemitism that far from being disarmed by the mantra of Never forget is on the rise As Horn explores the not so shocking attacks on the American Jewish community in recent years she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity Now including a reading group guide
