Hamilton,2011-01-03 The secret society of soul food cooks set out to embrace and love all those who touched a wood bowl or tin cup filled with the likes of what she held in her soul to bear that day Wikipedia soul food cooks Soul food is comfort I remember coming home to the best smelling house on the block the whole house would be filled with the aromas of the best fried chicken greens with ham hocks creamy macaroni and cheese fluffy corn bread flaky peach cobblers My mother spared no expense to cook and provide the best tasting food she could think of Little did she know in the process she was creating an unhealthy movement in her family that would remain for generations In the name of love and necessity our ancestors did what they could to keep good days on the table and in our memories They also passed the torch of the sedentary lifestyle obesity heart disease hypertension and multiple cancers I later watched in horror as the effects took its toll on my immediate family and my community By age thirty

I began to evaluate my life's food choices and my horrible diet. After making necessary but painful changes and adding daily exercise I lost over seventy five pounds in one year. This was the beginning of healing my soul. I wrote the Good Days to pass on to my future generations who are caught in the struggle of not knowing the basics of healthy shopping, cooking, proper food storage and safe food temperatures. I wrote this book for those who feel they were never taught another style of cooking for those who have no cooking experience and for those who want to change unhealthy eating but have no idea how to stop the cycle of eating processed foods or prepackaged foods. I gratefully introduce Healing My Soul The Good Days Cookbook volume 1. My recipes are simple and creative. I introduce several new vegetables, brown rice varieties, Lavash bread which is simply making your own low fat low sodium crackers, vegetable soup, vegetable stir fry and vegetable and fruit filled salad.

Your Family's Soul Donna-Marie Cooper O'Boyle, 2016-09-01 Today's parents consistently struggle to meet their deadlines and check off their to-do lists and are often stressed, exhausted and lamenting. This often results in well-meaning parents putting off their children's faith formation for another time or relying on others to teach their children. This book is uniquely suited to come to their rescue. Feeding Your Family's Soul: Dinner Table Spirituality is a vital tool to enable parents to transform a regular dinner time into a prayerful faith lesson for their elementary school to high school aged children. It will indeed help to fulfill the Catholic Church's vision for evangelization in the family and beyond. Through 52 fun and creative faith lessons, one for each week of the year, this one-of-a-kind book will encourage parents and caregivers to seize the opportunity in teaching the Catholic faith to the children, the captive audience waiting to eat while gathered at the dinner table and while reminding them of the value of coming together as a family to break bread and share hearts.
