Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1987 **Slavery, Disease, and Suffering in the Southern Lowcountry** Peter McCandless, 2011-04-11 On the eve of the Revolution the Carolina lowcountry was the wealthiest and unhealthiest region in British North America Slavery Disease and Suffering in the Southern Lowcountry argues that the two were intimately connected both resulted largely from the dominance of rice cultivation on plantations using imported African slave labor This development began in the coastal lands near Charleston South Carolina around the end of the seventeenth century Rice plantations spread north to the Cape Fear region of North Carolina and south to Georgia and northeast Florida in the late colonial period The book examines perceptions and realities of the lowcountry disease environment how the lowcountry became notorious for its tropical fevers notably malaria and yellow fever how people combated avoided or perversely denied the suffering they caused and how diseases and human responses to them influenced not only the lowcountry and the South but the United States even helping to secure American independence **Slavery and the American South** Annette Gordon-Reed, 2003 In 1900 very few historians were exploring the institution of slavery in the South But in the next half century the culture of slavery became a dominating theme in Southern historiography In the 1970s it was the subject of the first Chancellor s Symposium in Southern History held at the University of Mississippi Since then scholarly interest in slavery has proliferated ever more widely In fact the editor of this retrospective volume states that since the 1970s the expansion has resulted in a corpus that has a huge number of components scores even hundreds rather than mere dozens He states that no such gathering could possibly summarize all the changes of those twenty five years Hence for the Chancellor Porter L Fortune Symposium in Southern History in the year 2000 instead of providing historiographical summary the participants were invited to formulate thoughts arising from their own special interests and experiences Each paper was complemented by a learned penetrating reaction On balance the editor avers in his introduction reflection about the whole can convey a further sense of the condition of this field of scholarship at the very end of the last century which was surely an improvement over what prevailed at the beginning The collection of papers includes the following Logic and Experience Thomas Jefferson s Life in the Law by Annette Gordon Reed with commentary by Peter S Onuf The Peculiar Fate of the Bourgeois Critique of Slavery by James Oakes with commentary by Walter Johnson Reflections on Law Culture and Slavery by Ariela Gross with commentary by Laura F Edwards Rape in Black and White Sexual Violence in the Testimony of Enslaved and Free Americans by Norrece T Jones Jr with commentary by Jan Lewis The Long History of a Low Place Slavery on the South Carolina Coast 1670 1870 by Robert Olwell with commentary by William Dusinger Paul Robeson and Richard Wright on the Arts and Slave Culture by Sterling Stuckey with

militia serving under the infamous Francis Marion better known as the Swamp Fox She is astounded that the Warrenton family all peers of the realm is siding with the colonials against the Crown How could she possibly fit into this untenable turn of events However when the young couple finally connects their attraction for each other is immediate But will that be enough to hold them together when so many obstacles are set in their path *Blood in the Low Country* Paul Attaway ,2023-07-25 *Blood in the Low Country* the first of the Atkins Family Low Country Sagas tells the story of a southern family living in Charleston South Carolina in 1973 The book follows the lives of Monty Atkins his wife Rose and their sons Eli and Walker Rose s childhood is plagued by poverty abuse and tragedy Determined to prove she s better than her past she relentlessly pushes her sons to succeed in proper Charleston society When Rose s oldest son Eli the product of her first failed marriage is accused of murdering his girlfriend Kimberly Rose fears losing everything Monty believes his son is innocent and hires a detective to find the killer But when the murderer is revealed Monty s marriage and everything he holds true are tested Can Monty and Rose save their family and confront Rose s demons Only time will tell A story of love faith and redemption *Blood in the Low Country* is a must read for fans of Southern family sagas **Lowcountry Hurricanes** Walter J. Fraser, Jr.,2009-03-01 At once sobering and thrilling this illustrated history recounts how for the past three hundred years hurricanes have altered lives and landscapes along the Georgia South Carolina seaboard A prime target for the fierce storms that develop in the Atlantic the region is especially vulnerable because of its shallow gradually sloping sea floor and low lying coastline With an eye on both natural and built environments Fraser s narrative ranges from the first documented storm in 1686 to recent times in describing how the lowcountry has endured some of the severest effects of wind and water This chronology of the most notable lowcountry storms is also a useful primer on the basics of hurricane dynamics Fraser tells how the 800 ton *Rising Sun* foundered in open water near Charles Town during the hurricane of 1700 About one hundred persons were aboard All perished Drawing on eyewitness accounts he describes the storm surge of an 1804 hurricane that submerged most of Tybee Island and swept over the fort on nearby Cockspur Island drowning soldiers and civilians Readers may have their own memories of Hurricanes Andrew Opal and Hugo Although hurricanes frequently lead to significant loss of life Fraser recounts numerous gripping instances of survival and rescue at sea and ashore The author smoothly weaves the lowcountry s long social political and economic history with firsthand reports and data accumulated by the National Weather Service and the National Oceanic and Atmospheric Administration Generously illustrated with contemporary and historical photographs this is a readable and informative resource on one of nature s most awesome forces **Dancing in the Low Country** James Villas,2008 Beard Award winning author journalist and quintessential Southerner Villas delivers a beguiling witty and poignant first novel **Charleston - Insiders' Guide** J.
