Tiscareño, 2013-05-31 The stories featured in Baja California Adventures take place during a span of almost sixty years of
travel in the rugged parched yet hauntingly attractive peninsula The author kept detailed notes on most of his trips then
fleshed out this skeleton in a narrative that places the reader in the role of participant in the adventure Thus one feels the
bite of the 4WD tires into the desert sand newly hard packed by the moisture of a quick moving thunderstorm The author

describes the excitement of finding Indian petroglyphs arrowheads or clay ollas in remote canyons Because Mr Tiscareo is also a pilot many of the trips included here involve mention of the special immigration rules for private fly in tourists Finally there are Baja adventures in the pine clad granite fortress that is the Sierra de San Pedro Martir in the northern part of the peninsula Here the author joined other veteran Bajeros in hoof and boot or horse assisted explorations In short this book should be inspiration to those readers who want to visit Baja California particularly the less tourist trod destinations
