Stephenson, 2015-03-15 Elections are not just about who casts ballots they reflect the citizens parties media and history of an electorate Fighting for Votes examines how these factors interacted during a recent Ontario election The authors begin by examining the province s

views the status of Northern Ireland within the Empire The eventual choice of both flags illustrates that pre partition strands of both loyalism and Unionism continued to survive among leading politicians within Ulster during the 1920s The British Empire Union of 1915 established to make the Irish more Empire minded included the energetic promotion of imperial history in schools and of the idea of Empire Day within the population as a whole **Pluralism and Political Geography** Nurit Kliot, Stanley Waterman, 2015-11-19 In this comprehensive study problems of racial and religious division are examined in places as diverse as Northern Ireland and the West Bank Territorial and spatial expression intergovernmental relationships in federal states alliance blocs within the United Nations and American foreign policy are among the wide range of subjects covered The problems are considered using both traditional and radical approaches but throughout the book argues that apply the concept of pluralism isn the best way of understanding the political geography of the modern world
