KILLER INSTINCT JAGENDRA RANA,2023-02-08 Killer instinct is an aggressive tenacious urge for domination in a struggle to attain a set goal If you say that a sports player or politician has the killer instinct you admire him for his toughness and determination to succeed We don't strive to go the extra mile which is the toughest in any endeavour We should not create an impression that there's nothing more to achieve Complacency and overconfidence are proven recipes for disaster Winning isn't about finishing in first place It isn't about beating the others It is about overcoming yourself overcoming your body your limitations and your fears Winning means surpassing yourself and turning your dreams into reality Success is an excellent acquired quality of a person to sustain a strong spirit which can willfully overpower the dictums of mind

Honor in Political and Moral Philosophy Peter Olsthoorn,2014-12-03 Argues for revitalizing the place of honor in contemporary life In this history of the development of ideas of honor in Western philosophy Peter Olsthoorn examines what honor is how its meaning has changed and whether it can still be of use Political and moral philosophers from Cicero to John Stuart Mill thought that a sense of honor and concern for our reputation could help us to determine the proper thing to do and just as important provide us with the much needed motive to do it Today outside of the military and some other pockets of resistance the notion of honor has become seriously out of date while the term itself has almost disappeared from our moral language Most of us think that people ought to do what is right based on a love for justice rather than from a concern with how we are perceived by others Wide ranging and accessible the book explores the role of honor in not only philosophy but also literature and war to make the case that honor can still play an important role in contemporary life
