D. Jakes, 2002-03-05 From faith to family to finance the author of *Soar* and *He Motions* shares the key foundations of a rich spiritual life and how to achieve success based on God's plan for each of us Bishop T. D. Jakes preacher author motivator and entrepreneur is one of the most respected and influential voices in the country today Now in *The Great Investment* Bishop Jakes empowers readers by laying out the blueprint for balanced successful living He explains how the triad of faith family and finance is the cornerstone of a life of moral success success based on God's plan Bishop Jakes explains that faith is the foundation of all that we want to achieve offering support in healing and restoration during trying times Family is the anchor keeping us grounded Finally and no less crucial Bishop Jakes removes the veil from the frequently neglected topic of healthy finance making it accessible and achievable **Fear and Trembling** Søren Kierkegaard, 2024-09-06 Faithful to the original Danish text and eminently readable Jech's translation of *Fear and Trembling* admirably communicates the literary qualities of Kierkegaard's text as well as his occasional fits of inspiration Jech displays an unusual sensitivity not only to the literary linguistic qualities of Kierkegaard's prose but also to his often realized aspirations to philosophical precision As presented by Jech Kierkegaard is not simply a gifted writer and speculative theologian dabbling in philosophy but a philosopher concerned to limn the optimal role of philosophical reflection and to do so experimentally especially with respect to matters of morality and faith The translation is furthermore supplemented by very helpful explanatory notes that convey Kierkegaard's own erudition and the multiple influences upon his thinking The *Historical Glossary* will become a valuable reference tool for students and scholars of Kierkegaard's writings It is likely to play a welcome role in encouraging an improved understanding of what Kierkegaard means when he employs his idiosyncratic categories allusions and vocabulary Daniel Conway Professor of Philosophy and Humanities Texas A M University The New Age Alfred Richard Orage, Arthur Moore, 1913 **The Sunday School Journal** , 1902 Michigan Christian Advocate , 1893 *Chronicles of the Sea: Or, Faithful Narratives of Shipwrecks, Fires ... ,1899 *Are You in Reality?* Gregoire Plus,2010-01-14 ARE YOU IN REALITY The quest for wisdom or man s search for what reality is in his experiences comes from man s astonishment in front of all that exist When we see something we are lucid that we do not know the whole that which is the most profound is so hidden from our eyes that we easily prefer believing our own ideas to searching to unveil what the reality is Rather than to be toward something we have not made and that escapes us we prefer to remain in the ideas we construct or to contemplate our own image We need to seek if we Are truly living in reality or if we remain in our ideas as the only full discovery of reality as it is can be a path to wisdom and allow us to blossom Written from a series of seminars Are You in Reality is the author s contribution coming from his own experiences to the research of wisdom understood as man s search for truth This search for wisdom rightly called philosophy is a quest without any preconceived ideas an insatiable desire for light which can ultimately enlighten man about every aspect of his existence It must be capable of meeting each man in his experiences in his quest and in his own journey Therefore philosophy is neither Christian nor Buddhist neither European nor American neither African nor Asian It is human and intelligent in the sense that it takes its truth from no other source than that of the real that we encounter and of those who place themselves at its school **Chronicles of the sea: or, Faithful narratives of shipwrecks, fires, famines, and disasters incidental to a life of maritime enterprise** Chronicles of the sea,1838 Chronicles of the Sea: Or, Faithful Narratives of Shipwrecks, Fires, Famines, and Disasters Incidental to a Life of Maritime Enterprise; Together with Celebrated Voyages, Interesting Anecdotes, Etc.
