Lp Thing About Men:

Horn Man Laurie Palazzolo, 2003 Detroit and its strong Polish community share in America's rich history of Polish music and customs. This work documents that history and details the development of the Polish American musicians in Detroit who became known as polka musicians even though their music was very diversified. The Holy Court ... The third edition. L.P. Nicolas CAUSSIN, 1664

The Fascist Groove Thing Hugh Hodges, 2023-02-21 This is the late 1970s and 80s as explained through the urgent and still relevant songs of the Clash the Specials the Au Pairs the Style Council the Pet Shop Boys and nearly four hundred other bands and solo artists. Each chapter presents a mixtape or playlist of songs related to an alarming feature of Thatcher's Britain followed by an analysis of the dialogue these artists created with the Thatcherite vision of British society. Tell us the truth Sham 69 demanded and pop music however improbably did. It's a furious and sardonic account of dark times when pop music raised a dissenting fist against Thatcher's fascist groove thing and made a glorious boredom smashing noise. Bookended with contributions by Dick Lucas and Boff Whalley as well as an annotated discography. The Fascist Groove Thing presents an original and polemical account of the era.
