Luca & Andrea Della Robbia and Their Successors Maud Cruttwell, 1902 *Luca and Andrea Della Robbia, and Their Successors (Classic Reprint)* Maud Cruttwell, 2017-06-13 Excerpt from Luca and Andrea Della Robbia and Their Successors I wish to express my deep sense of gratitude for the kindness and help I have received in my work. I am indebted to Dr Gronau who has aided me constantly with his advice, his knowledge of the subject and in the search for and transcription of documents. I owe much also to Professor Allan Marquand for personal help besides what I have gained from his published Writings to Cav Guido Carocci who has generously allowed me to incorporate in my List of Works the results of his own researches in the by ways of Tuscany and has made easy for me the removal of obstructions in churches. To Cav Giuseppe Castellucci Architect to the Opera del Duomo who has allowed me to publish notes and photographs of his discoveries concerning the Cantoria to MM Alinari for permission to reproduce their photographs and for their kindness in allowing me to study from their large collection to the Directors of the Archivio di Stato and of the Opera del Duomo for much courtesy and help especially to Signor del Badia for his aid in deciphering the documents to Dr Bode for allowing me to reproduce photographs from his own publications otherwise not obtainable. Lastly to the private owners of works in Italy Germany and England I owe my thanks for the readiness with which their collections have been made accessible to me. Maud Cruttwell.
