approachable undergraduate textbook for students of opera and survey courses      **Valuing Nineteenth-Century Italian Opera Fantasias for Woodwind Instruments** Rachel N. Becker, 2024-03-29 This book approaches opera fantasias instrumental works that use themes from a single opera as the body of their virtuosic and flamboyant material both historically and theoretically concentrating on compositions for and by woodwind instrument performers in Italy in the nineteenth century Important overlapping strands include the concept of virtuosity and its gradual demonization the strong gendered overtones of individual woodwind instruments and of virtuosity the distinct Italian context of these fantasias the presentation and alteration of opera narratives in opera fantasias and the technical and social development of woodwind instruments Like opera itself the opera fantasia is a popular art form stylistically predictable yet formally flexible based heavily on past operatic tradition and prefabricated materials Through archival research in Italy theoretical analysis and exploration of European cultural contexts this book clarifies a genre that has been consciously stifled and societal resonances that still impact music reception and performance today      *What We Hear in Music* ,1928      *They Don't Dance Much* James Ross, 2013-04-16 DIVDIV In this classic country noir featuring a new introduction by Daniel Woodrell a small town farmer takes a job at a roadhouse where unbridled greed leads to a brutal murder divDIV Jack McDonald is barely a farmer Boll weevils have devoured his cotton crop his chickens have stopped laying eggs and everything he owns is mortgaged even his cow He has no money no prospects and nothing to do but hang around filling stations wondering where his next drink will come from As far as hooch goes there s no place like Smut Milligan s where Breath of Spring moonshine sells for a dollar a pint divDIV divDIV A bootlegger with an entrepreneurial spirit Milligan has plans to open a roadhouse and he asks Jack to run the till The music will be hot the liquor cheap and the clientele rough But the only thing stronger than Milligan s hooch is his greed and Jack is slowly drawn into the middle of Smut s dalliances with a married woman the machinations of corrupt town officials and a savage act of murder div div      *Silence and Absence in Literature and Music* ,2016-04-08 This volume focusses on the rarely discussed reverse side of traditional given objects of studies namely absence rather than presence of text and silence rather than sound It does so from the bifocal and interdisciplinary perspective which is a hallmark of the book series Word and Music Studies The twelve contributors to the main subject of this volume approach it from various systematic and historical angles and cover among others questions such as to what extent absence can become significant in the first place or iconic silent functions of musical scores as well as discussions of fields ranging from baroque opera to John Cage s 4 33 The volume is complemented by two contributions dedicated to further surveying the vast field of word and music studies The essays collected here were originally presented at the Ninth International Conference on Word and Music Studies held at London University in August 2013 and organised by the International Association for Word and Music Studies They are of relevance to scholars and students of literature music and intermediality studies as well as to readers generally interested in phenomena of absence and silence      *Fantasy* Matilde Serao, 2022-08-21 Matilde Serao s *Fantasy* is a

*Conducting Opera* Joseph Rescigno, 2020-06-15 *Conducting Opera* discusses operas in the standard repertory from the perspective of a conductor with a lifetime of experience performing them. It focuses on Joseph Rescigno's approach to preparing and performing these masterworks in order to realize what opera can uniquely achieve: a fusion of music and drama resulting in a whole that is greater than the sum of its parts. Opening with a chapter discussing his performance philosophy, Rescigno then covers Mozart's most performed operas, standards of the bel canto school including Rossini's *Il barbiere di Siviglia*, five of Verdi's works including *La traviata*, a selection of Wagner's compositions followed by French Romantic operas such as Bizet's *Carmen*, Puccini's major works, and finally four operas by Richard Strauss. A useful appendix contains a convenient guide to the scores available online. *Conducting Opera* includes practical advice about propelling a story forward and bringing out the drama that the music is meant to supply, as well as how to support singers in their most difficult moments. Rescigno identifies particularly problematic passages and supplies suggestions about how to navigate them. In addition, he provides advice on staying true to the several styles under discussion. *Discontented Discourses* Marleen S.
