Ramayana: The Game of Life - Book 5: Radiate Confidence Shubha Vilas, 2019-11-19 Being Patient and Finding Success THE RAMAYANA IS NOT A STORY IT IS A WAY OF LIFE IT IS THE GAME OF LIFE How one expands one's scope of action with confidence and calm under extremely challenging circumstances is what separates the extraordinary from the ordinary just like Hanuman did His selfless determination to stay the course with steadfast focus and faith to accomplish his mission makes him a worthy and inspiring protagonist Here are some invaluable lessons from his life on overcoming obstacles Be confident With unwavering faith in himself Hanuman jumped across the ocean to find Sita in an unfamiliar land Say no to distractions Absolute focus helped him prioritize his course of action Know your rivals Competing with Surasa would be futile so he realized that it was wiser to take on a humbler approach Are you confident and fearless enough to achieve your goals RADIATE CONFIDENCE is the fifth book in Ramayana The Game of Life series A modern retelling of the Sundara Kanda of Valmiki's epic this book highlights Hanuman's devotion and heroics Replete with lessons on faithfulness loyalty self confidence self belief fearlessness and all the attributes that help counter challenges and find success the author Shubha Vilas illuminates the path to success A spiritual seeker and motivational speaker SHUBHA VILAS helps people in dealing with modern day life situations through the teachings of the Bhagavad Gita Ramayana and other dharmic traditions He conducts leadership seminars in premier institutes across the world ॐॐॐॐ ॐॐॐ, 2006 **The Maqámát of Badí' al-Zamán al-Hamadhní** W.J. Prendergast, 2015-10-14 The triple aim of Hamadhn in this work first translated into English in 1915 appears to have been to amuse to interest and to instruct and this explains why in spite of the inherent difficulty of a work of this kind composed primarily with a view to the rhetorical effect upon the learned and the great there is scarcely a dull chapter in the fifty one maqámát or discourses The author essayed throughout these dramatic discourses to illustrate the life and language both of the denizens of the desert and the dwellers in towns and to give examples of the jargon and slang of thieves and robbers as well as the lucubrations of the learned and the conversations of the cultured **Attraction Explained** Viren Swami, 2015-12-22 How much does appearance matter in the formation of romantic relationships Do nice guys always finish last Does playing hard to get ever work What really makes for a good chat up line When it comes to relationships there's no shortage of advice from self help experts pick up artists and glossy magazines But modern day myths of attraction often have no basis in fact or worse are rooted in little more than misogyny In Attraction Explained psychologist Viren Swami debunks these myths and draws on cutting edge research to provide a ground breaking and evidence based account of relationship formation At the core of this book is a very simple idea there are no laws of attraction no foolproof methods or strategies for getting someone to date you But this isn't to say that there's nothing to be gained from studying attraction Based on science rather than self help clichés Attraction Explained looks at how factors such as geography appearance personality and similarity affect who we fall for and why *The Inter-Galactic Playground* Farah

Mendlesohn,2009-07-15 Science fiction is often considered the genre of ideas and imagination which would seem to make it ideal for juveniles and young adults however the ideas are often dispensed by adults This book considers the development of science fiction for children and teens between 1950 and 2010 exploring why it differs from science fiction aimed at adults In a broader sense this critical examination of 400 texts sheds light on changing attitudes toward children and teenagers toward science education and toward the authors expectations and sociological views of their audience Lost Airmen Charles E.
