## **Luckham Plays:**

**Luckham: Plays** Claire Luckham, 1996-12-23 Includes the plays Trafford Tanzi The Dramatic Attitudes of Miss Fanny Kemble and The Seduction of Anne Boleyn Trafford Tanzi began as a pub show in Liverpool It has since been performed all over the world and translated into a dozen languages It plays out the story of a young woman s life in the arena of the wrestling ring and its feminist themes are dealt with in the outrageously entertaining style of a wrestling match In The Dramatic Attitudes of Miss Fanny Kemble Claire Luckham looks at both slavery and the nineteenth century acting profession through the life of a remarkable woman The Seduction of Anne Boleyn recently performed at the Nuffield Theatre in Southampton is a haunting love story and a study of power in human relationships *Professional Wrestling and the Commercial Stage* Eero Laine, 2019-11-14 Professional Wrestling and the Commercial Stage examines professional wrestling as a century old theatrical form that spans from its local places of performance to circulate as a popular global product Professional wrestling has all the trappings of sport but is at its core a theatrical event This book acknowledges that professional wrestling shares many theatrical elements such as plot character scenic design props and spectacle By assessing professional wrestling as a neglected but prototypical case study in the global business of theatre Laine argues that it is an exemplary form of globalizing commercial theatre He asks what theatre scholars might learn from pro wrestling and how pro wrestling might contribute to conversations beyond the ring by considering the laboring bodies of the wrestlers and analyzing wrestling s form and content Of interest to scholars and students of theatre and performance cultural studies and sports studies Professional Wrestling and the Commercial Stage delimits the edges of wrestling s theatrical frame critiques established understandings of corporate theatre and offers key wrestling concepts as models for future study in other fields

**The Afterlife of Anne Boleyn** Stephanie Russo, 2020-10-28 This book explores 500 years of poetry drama novels television and films about Anne Boleyn Hundreds of writers across the centuries have been drawn to reimagine the story of her rise and fall The Afterlife of Anne Boleyn tells the story of centuries of these shifting and often contradictory ways of understanding the narrative of Henry VIII s most infamous queen Since her execution on 19 May 1536 Anne s life and body has been a site upon which competing religious political and sexual ideologies have been inscribed a practice that continues to this day From the poetry of Thomas Wyatt to the songs of the hit pop musical Six The Afterlife of Anne Boleyn takes as its central contention the belief that the mythology that surrounds Anne Boleyn is as interesting revealing and surprising as the woman herself **The Theatre Guide** Trevor R. Griffiths, 2014-07-04 With over 500 entries on the most important plays and playwrights performed today The Theatre Guide provides an authoritative A Z of the contemporary theatre scene From Aristophanes to Mark Ravenhill The Alchemist to The Talking Cure the Guide is both biographically detailed and critically current while an extensive cross referencing system allows for wider perspectives and new discoveries Stimulating observant and informative The Theatre Guide is an essential companion and reference tool for anyone with an active interest in drama

*Staging Motherhood* J. Kompory, 2006-10-31 Focusing on post 1956 British women playwrights this book questions to what extent transformations in women's lives have impacted on theatre. Contributing to a range of discourses including gender studies, cultural studies and theatre and performance studies, this timely volume is crucial to our understanding of women's drama in this period.

**The Complete Book of 1980s Broadway Musicals** Dan Dietz, 2016-02-18 For Broadway audiences of the 1980s, the decade was perhaps most notable for the so-called British invasion. While concept musicals such as *Nine* and Stephen Sondheim's *Sunday in the Park with George* continued to be produced, several London hits came to New York. In addition to shows like *Chess*, *Me and My Girl* and *Les Misérables*, the decade's most successful composer, Andrew Lloyd Webber, was also well represented by *Cats*, *The Phantom of the Opera*, *Song + Dance* and *Starlight Express*. There were also many revivals such as *Show Boat* and *Gypsy*, surprise hits *The Pirates of Penzance*, huge hits *42nd Street* and notorious flops *Into the Light*, *Carrie* and *Annie 2*. Miss Hannigan's *Revenge*. In *The Complete Book of 1980s Broadway Musicals*, Dan Dietz examines in detail every musical that opened on Broadway during the 1980s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal appearance revues with such performers as Sid Caesar, Barry Manilow, Jackie Mason and Shirley MacLaine. Each entry includes the following information: Opening and closing dates, Plot summaries, Cast members, Number of performances, Names of all important personnel including writers, composers, directors, choreographers, producers and musical directors, Musical numbers and the names of performers who introduced the songs, Production data including information about tryouts, Source material, Critical commentary, Tony awards and nominations. Details about London and other foreign productions. Besides separate entries for each production, the book offers numerous appendixes including a discography, filmography and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1980s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians and casual fans of one of the greatest decades in musical theatre history.

**Thatcher's Theatre** D. Keith Peacock, 1999-03-30 The Thatcher administration of 1979 to 1990 had a profound and apparently lasting effect on British theatre and drama. It is now roughly a decade since the fall of Margaret Thatcher, and with the benefit of hindsight it has become possible to disentangle fact from fantasy concerning her effect on the British theatre. During her administration, there was a significant cultural shift which affected drama in Britain. While some critics have argued that the theatre was simply affected by financial cutbacks in arts subsidies, this volume challenges that view. While it looks at the economic influence of Thatcher's policies, it also examines how her ideology shaped theatrical and dramatic discourse. It begins by defining Thatcherism and illustrating its cultural influence. It then examines the consequences of Thatcherite policies through the agency of the Arts Council of Great Britain. Having established this political and cultural environment, the book considers in detail the effect of Thatcher's administration on the subject matter and dramatic and theatrical discourse of left-wing

drama and on the subsidized political theatre companies which proliferated during the 1970s Attention is then given to the development of constituency theatres such as Women's and Black Theatre which assumed an oppositional cultural stance and in some cases attempted to develop characteristic theatrical and dramatic discourses The penultimate chapter deals with the effect of Thatcherite economic policy and ideology on new writing and performance while the final chapter draws conclusions and suggests that the cultural shift perpetrated by the Thatcher regime has altered the status of subsidized theatre from an agency of cultural spiritual social or psychological welfare to an entertainment industry which is viewed as largely irrelevant to the workings of society     **Theatre Record** ,2005     **Leopard Valley** A.K. Chesterton,2013 A three act play by the noted British Nationalist and Patriot A K Chesterton     **Plays and Players** ,1996     *Playing War* Matthew Thomas Payne,2016-04-05 Explores the culture that made military shooter video games popular and key in understanding the War on Terror No video game genre has been more popular or more lucrative in recent years than the military shooter Franchises such as Call of Duty Battlefield and those bearing Tom Clancy's name turn over billions of dollars annually by promising to immerse players in historic and near future battles converting the reality of contemporary conflicts into playable experiences In the aftermath of 9 11 these games transformed a national crisis into fantastic and profitable adventures where seemingly powerless spectators became solutions to these virtual Wars on Terror *Playing War* provides a cultural framework for understanding the popularity of military themed video games and their significance in the ongoing War on Terror Matthew Payne examines post 9 11 shooter style game design as well as gaming strategies to expose how these practices perpetuate and challenge reigning political beliefs about America's military prowess and combat policies Far from offering simplistic escapist pleasures these post 9 11 shooters draw on a range of nationalist mythologies positioning the player as the virtual hero at every level Through close readings of key games analyses of marketing materials and participant observations of the war gaming community *Playing War* examines an industry mobilizing anxieties about terrorism and invasion to craft immersive titles that transform international strife into interactive fun     **Performing Feminisms** Sue-Ellen Case,1990-02 A valuable provoking important addition to any theatre scholar or practitioner's library especially since feminist theory is a relative newcomer to the world of theatre     **Feminist Theatre Practice: A Handbook** Elaine Aston,2005-07-05 A practical guide to theatre making designed to take the reader through the stages of making feminist theatre Organised into three instructive parts Women in the Workshop Dramatic Texts Feminist Contexts Gender and Devising Projects     **Women and Comedy** Susan Carlson,2025-10-01 The first comprehensive study of its kind this book explores the contradictory connections between women and dramatic comedy *Women and Comedy* shows how a genre that has been used historically to restrict women's behavior is being reconfigured to express women's triumphs It thus redefines the assumptions with which both traditional comedy and contemporary women's plays are read and viewed Challenging a critical consensus that has seen comedy as a haven for female power Carlson argues that traditional comedy is deeply sexist welcoming strong women

characters only because it can contain their power Through an analysis of a range of comedies by Shakespeare Congreve Maugham Shaw and Ayckbourn the author shows that even in these plays self consciously about liberated females women gain only a limited freedom a freedom that the endings of the plays work to negate This negotiation is seen to result in part from the comic structure itself which privileges a merely temporary inversion and an ultimate return to the status quo Carlson then examines the transitional work of three writers Aphra Behn Henry James and Ann Jellicoe whose heroines follow an unorthodox trajectory through their comic worlds While the work of these writers clearly remains within the mainstream comic tradition the author notes in them a subtle departure most notably in their description of the heroine as subject rather than object which prefigures the full scale transformations of women in comedy by contemporary women writers The book then examines contemporary comedy that revises traditional comic structure at the same time as it explores fundamental social change In making her case for the difference of contemporary comedy by women Carlson examines the reformulations of structure and character and considers issues of community self and sexuality in a broad range of plays by individual playwrights and by the new women s theater collectives *Women and Comedy* is an important work for students of British drama and will appeal to theater practitioners critics feminist scholars and all those interested in the performing arts

*Joystick Soldiers* Nina B. Huntemann, Matthew Thomas Payne, 2009-09-10 *Joystick Soldiers* is the first anthology to examine the reciprocal relationship between militarism and video games War has been an integral theme of the games industry since the invention of the first video game Spacewar in 1962 While war video games began as entertainment military organizations soon saw their potential as combat simulation and recruitment tools A profitable and popular relationship was established between the video game industry and the military and continues today with video game franchises like America s Army which was developed by the U S Army as a public relations and recruitment tool This collection features all new essays that explore how modern warfare has been represented in and influenced by video games The contributors explore the history and political economy of video games and the military entertainment complex present textual analyses of military themed video games such as Metal Gear Solid and offer reception studies of gamers fandom and political activism within online gaming
